(SAVE)

Karen,

This is so hard to try to put how you feel down on paper. But, I think you know how much you mean to me as a friend. In our short 2½ year friendship we have gone through more together than some friends go through in a life time. You know all the bad things about me, and all the good, and you still understand everything I feel inside. Through all the bad times you tried to help me to figure out what was going on, and to help me try to solve my problems. You have always been there when I've needed you most. And all the good good times I've had you have been a part of. (Well, most!!!) It seems that if we are together we can have fun just about anywhere. All the parties, Burt L. Spring B, Cedar Point Detroit, Ann Arbor, and good Ol' Saginaw, etc. are times I will always remember. I can't list all of the ways you are important to me, because there aren't enough words for how I feel inside. I guess the best way to put it is you are the best-est friend, and I love you in a way that is hard for some people to understand. I couldn't have made it through this past year without you - I mean that! I just couldn't have made it through everything that has happened.

We have both done things which people we are both friends with wouldn't be able to understand - at all! I have many regrets, but those are things you just have to live with and try to accept. I guess you just have to try to make the future better than the past. (Easier said than done huh?) But together I think we can do it. Besides, like they say a perfect life - is a boring one.

Karen, always remember even if I move I will never ever forget you! How could I?: you are as much a part of my life as my own self. Well, I don't want to talk about moving it depresses me, ya know what I mean!?!

Hey, we have to go out and Celebrate! You know why. And besides that we are both free(women)! But being free isn't exactly all what it's cracked up to be. Oh Well, We will have to change that part. We can go out party, find some cuties, and party!! Sounds pretty good, huh? Well dear I better go before I run out of room. Just remember I love ya more than you will ever know (not to be queer). Good Luck always!

P.S. Hey Chick, don't forget you still have to sign my yearbook.

Love Always,
Jackie

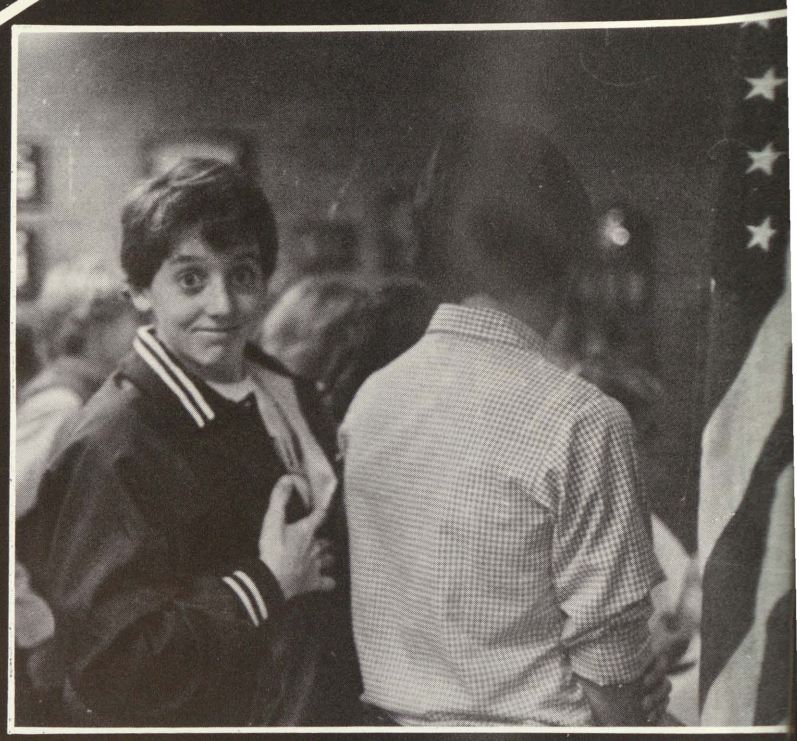
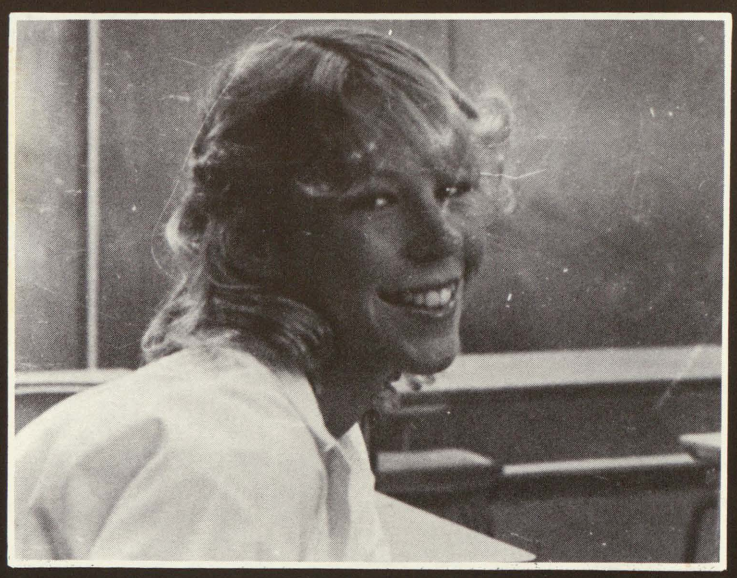
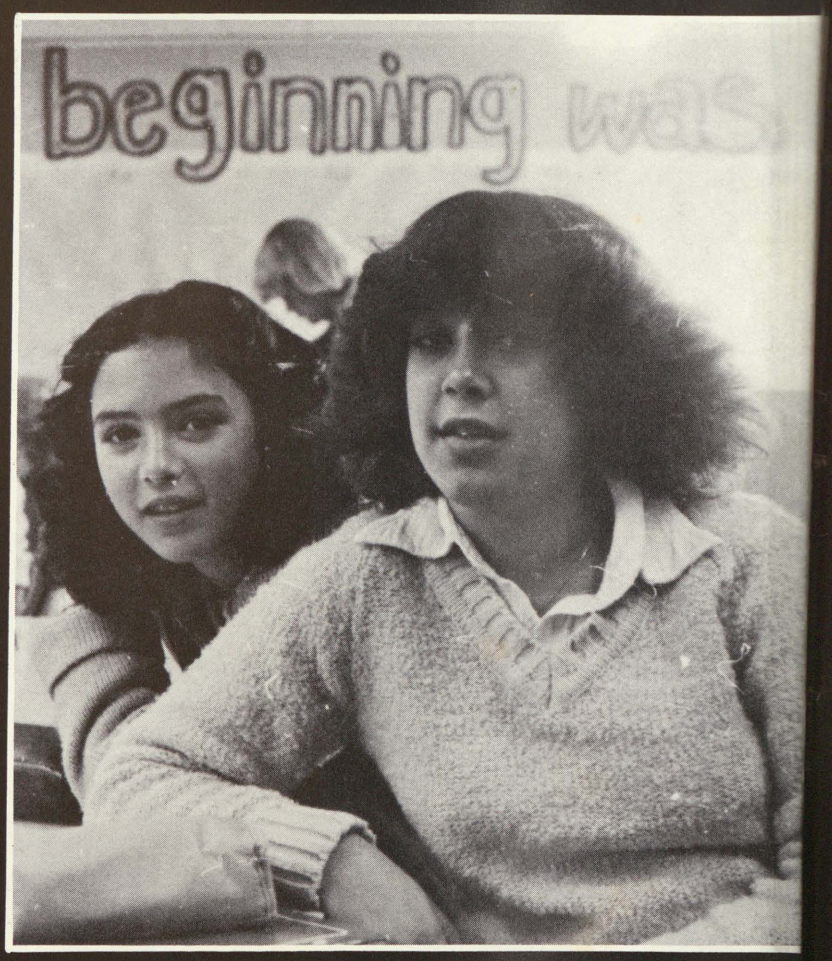
TAKE A GOOD LOOK AT DOUGLAS MacARTHUR

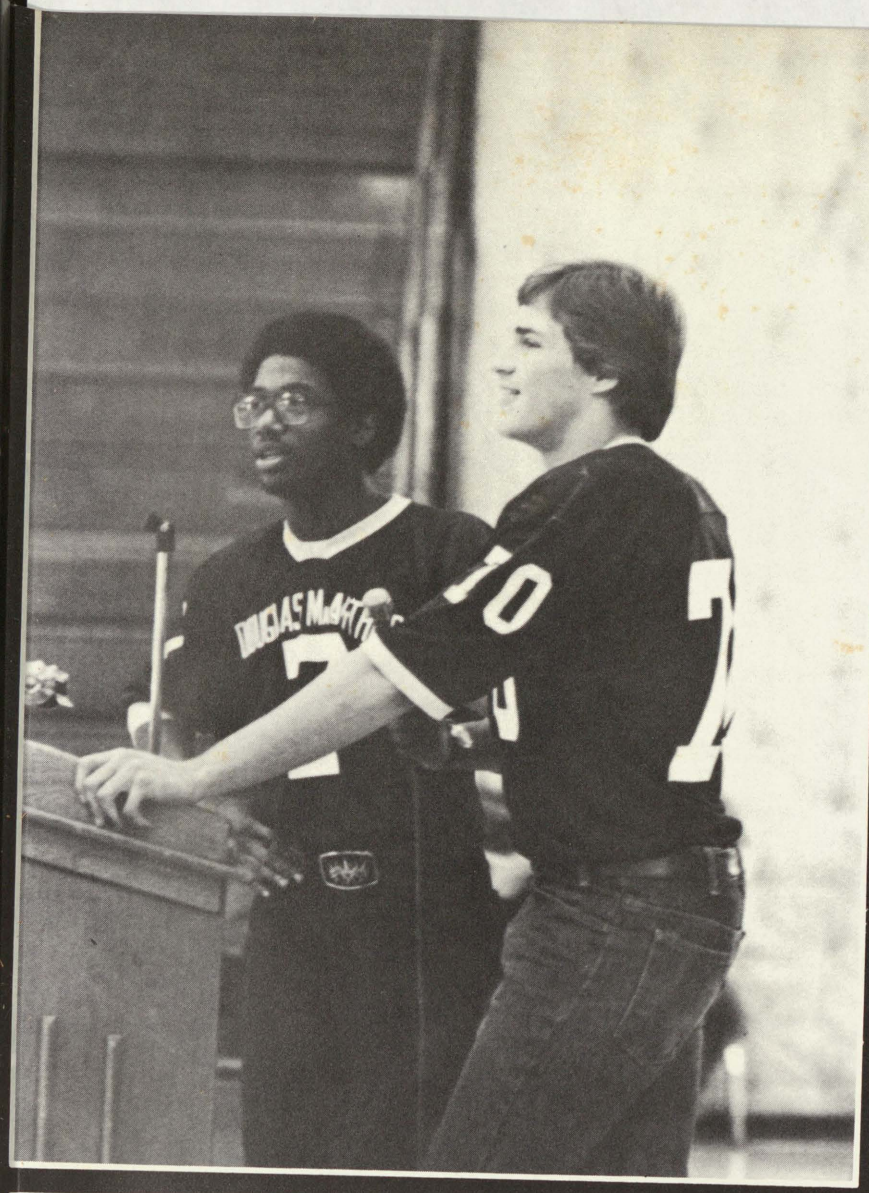


Take a good look at the most memorable years of your life . . . those spent in your high school, learning about life; how to handle it, how to grow mentally, and how to apply school-learned skills to everyday life situations.

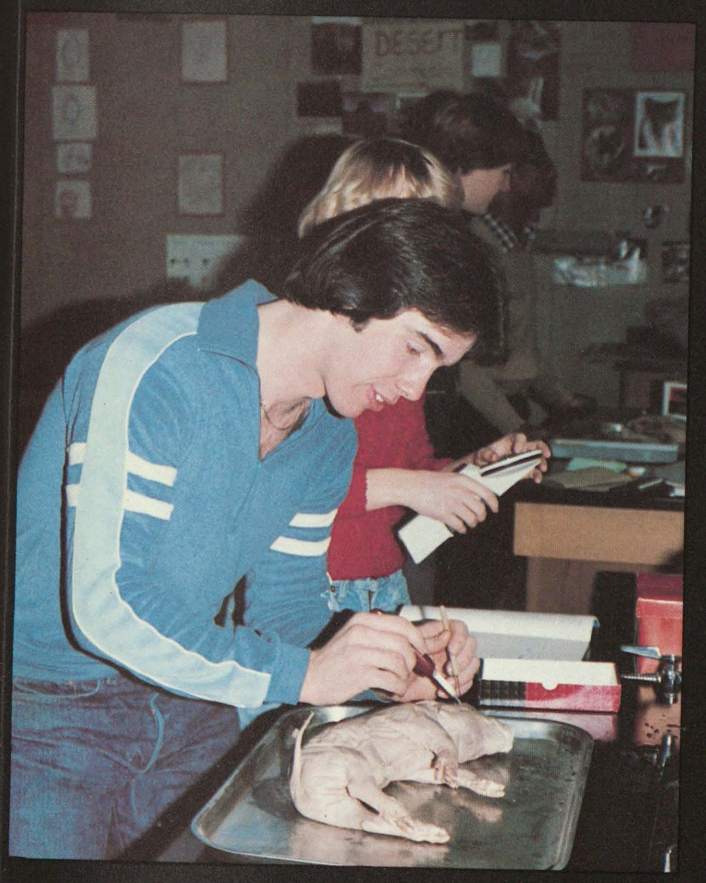
These four years may prove to be the most intense, helpful and exciting days you will spend. Here, with out friends, we learn to enjoy what life brings. We learn to exercise our rights. Teachers try their best to provide us with a sound background so that we will be prepared to enter the "cruel world". Pictures, words, and memories are ever present after graduation: highschool sweethearts, prom, homecoming, plays, concerts, and presentations will always be held close by most. These are the years of formation. We learn to shape our lives to fir into a well defined morale. After graduation we must respect all that was taught to us by our elders. They have lived through what we are about to, and have tried to help us. Remember fondly all that has happened. Cherish these years . . . the best years of your life.







STUDENT LIFE



A student's life is extremely busy. It consists of many dimensions, including, students pursuing their talents, night and daytime activities, jobs, school, or sports. There never seems to be enough hours in the day to do all that there is to do.

During school, students can always be found either working on homework, socializing, getting involved in extra-curricular activities on just dozing off.
(upper left) The senior class Council gathers outside to decide when they should get ready to go to Flordia. (left side middle) Laura McMahan looks up disgusted as Jason Jamison shows his affection towards her. AT MacARTHUR

The times spent at DM are filled with good friends and lots of fun and activities. These times were often spent in many areas of school such as the kiva, library, gym, the classroom, locker banks, or just relaxing around the pond.
(upper left) Julie Bourbino and friend smile at the sight of the camera facing their way. (upper middle) Laura MacMahan dresses in her favorite outfit on "devo" day. (lower middle) Mrs. Makrianis finds something humorous during class. (lower left) Joanne Cunningham attends a freshman football game.

DAY LIFE

School didn't take up the entire day every day. After school found many students engaged in recreational activities, such as classes at the YMCA. Tiffany Davis and Marcia Staber (upper right) intently watch their instructor during an aerobic exercise dance class.

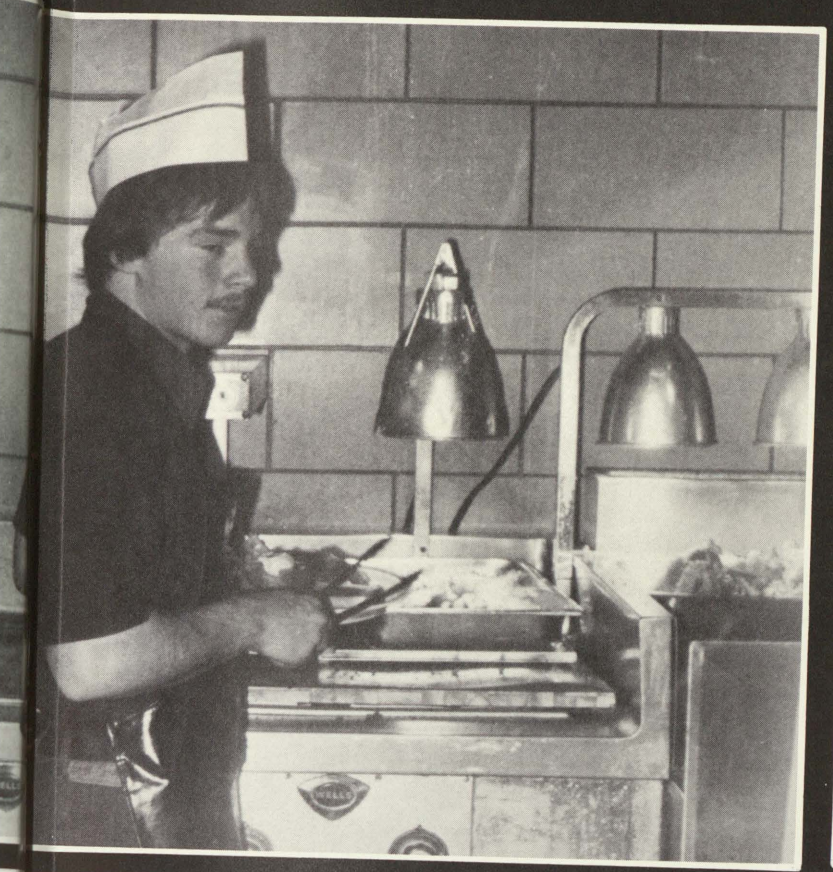
Other students may have stopped off at Mac's for an after school snack at low prices (upper right).

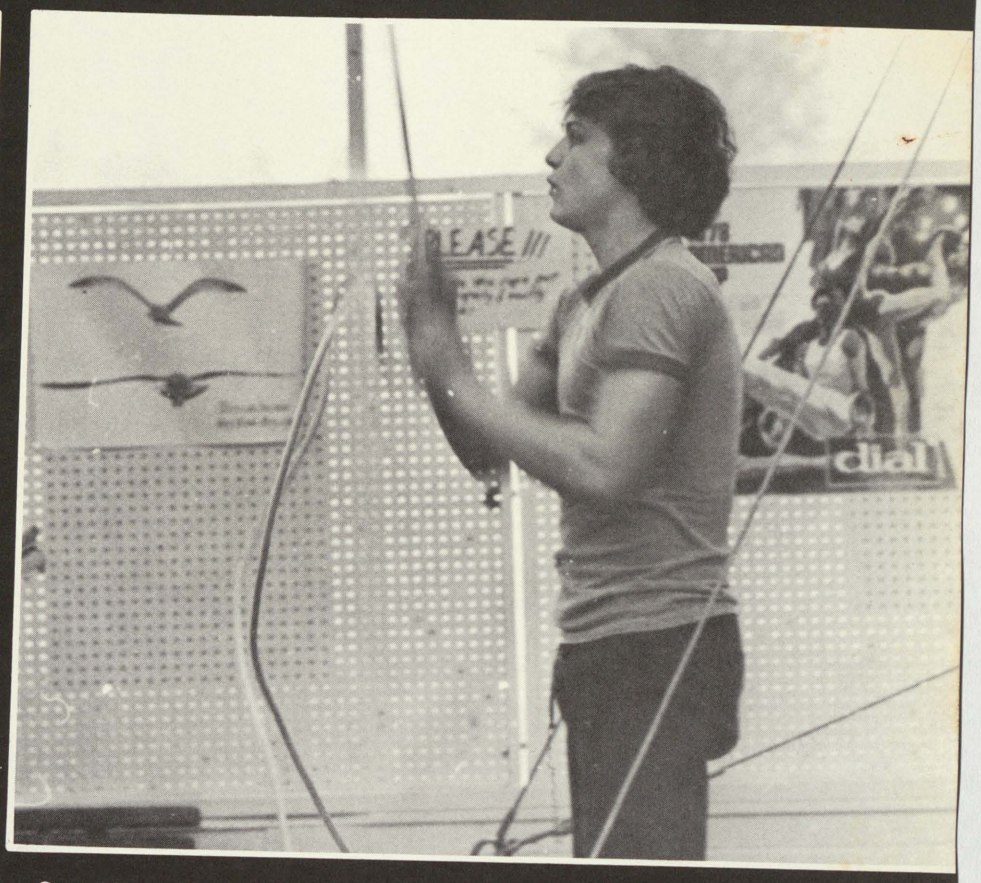
Just about any weekday or weekend afternoon would have found some DM students browsing at the popular Mall (middle right).

When the snow was right, Cross Country skiing was one of the favorite outdoor sports. It was inexpensive and accessible. Joe Armstrong and friend (lower right) are about to take off cross the field.

Cynthy Clark, Lori Kincade and Marianne Westendorf (lower left) enjoying lunch at Wendy's which featured Frostys and "old fashioned" hamburgers.

EMPLOYMENT





One of the biggest parts of a student's life is employment. Who can do anything today without money?

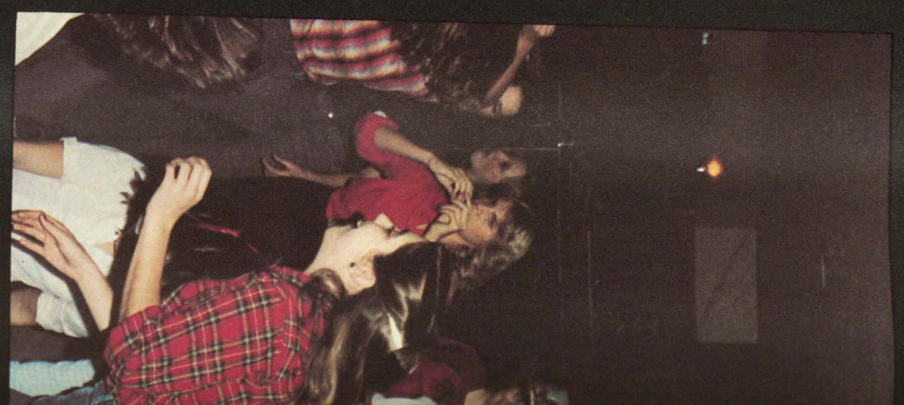
The hardest thing about employment is finding the right job. A person has to fill out an endless number of applications before a prospective employer finally says, "Come in for an interview."

Most interviews aren't too hard to pass, depending on the type of job you're looking for. If it's a fast food restaurant, you're usually asked: "What time you're available, why you want a job, and what position you want to hold." Finally you get a telephone call and you've got the job.

The first day on a job is the worst of all. You're never sure how much ketchup to put on a hamburg, or what items are on sale.

A person has to find a job that suits him/her, or they will never be happy working, and won't be able to work to their fullest potential. When you do find the right job, you'll really enjoy the experience, a place to be away from home, and of course, the money.

NIGHT LIFE



The setting sun, especially on Friday, found many DM students heading for the night life. Maybe there was a home football game to go to or a basketball game. On Saturdays and Sundays there might have been a hockey game out at Verbeke's ice rink.

Other tha school sports, there were Gears' games or night skiing at Bintz's. Some students enjoyed bowling at one of the nearby alleys.

Occasionally there was a rock concert at the Civic Center to go hear. In January, Beatlemania were here. Always popular were the many house parties and dances by both private clubs and school organizations. And if nothing was happening here many students took a friend along and joined their parents for a weekend in the north, skiing, fishing, hiking, or partying.

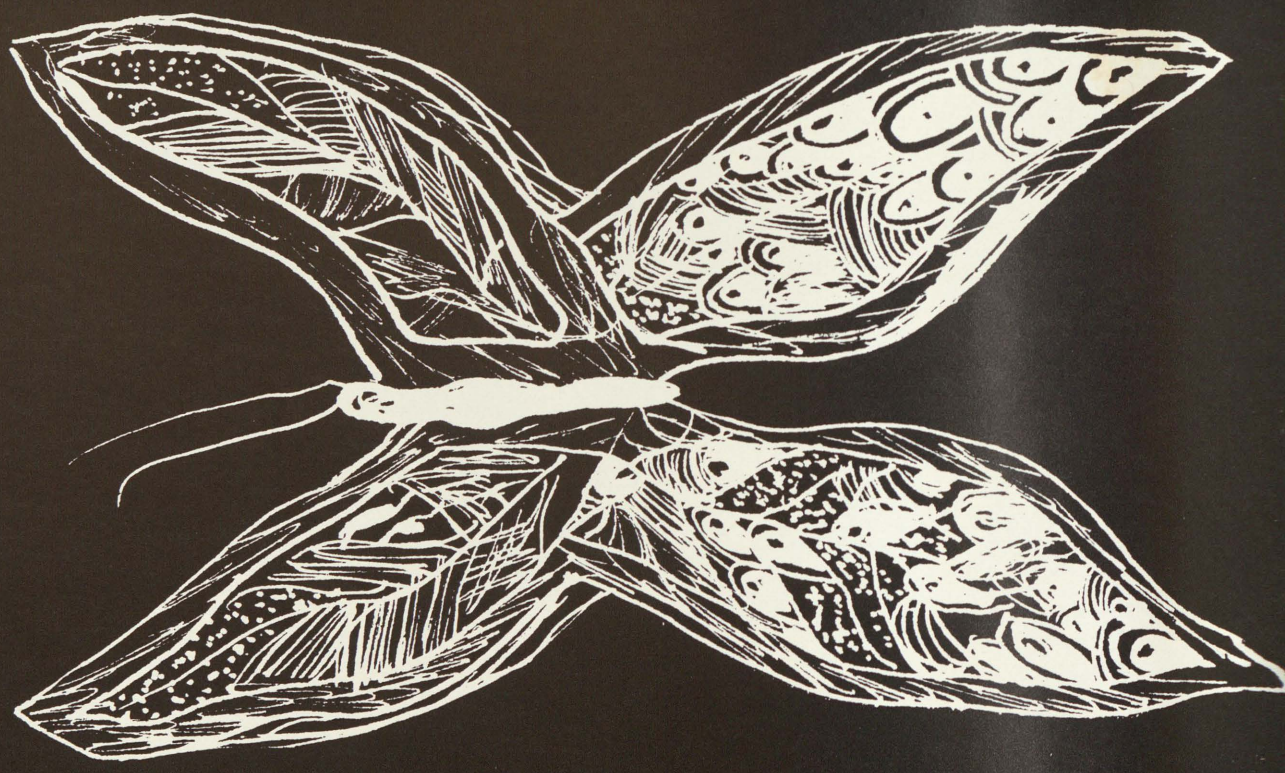
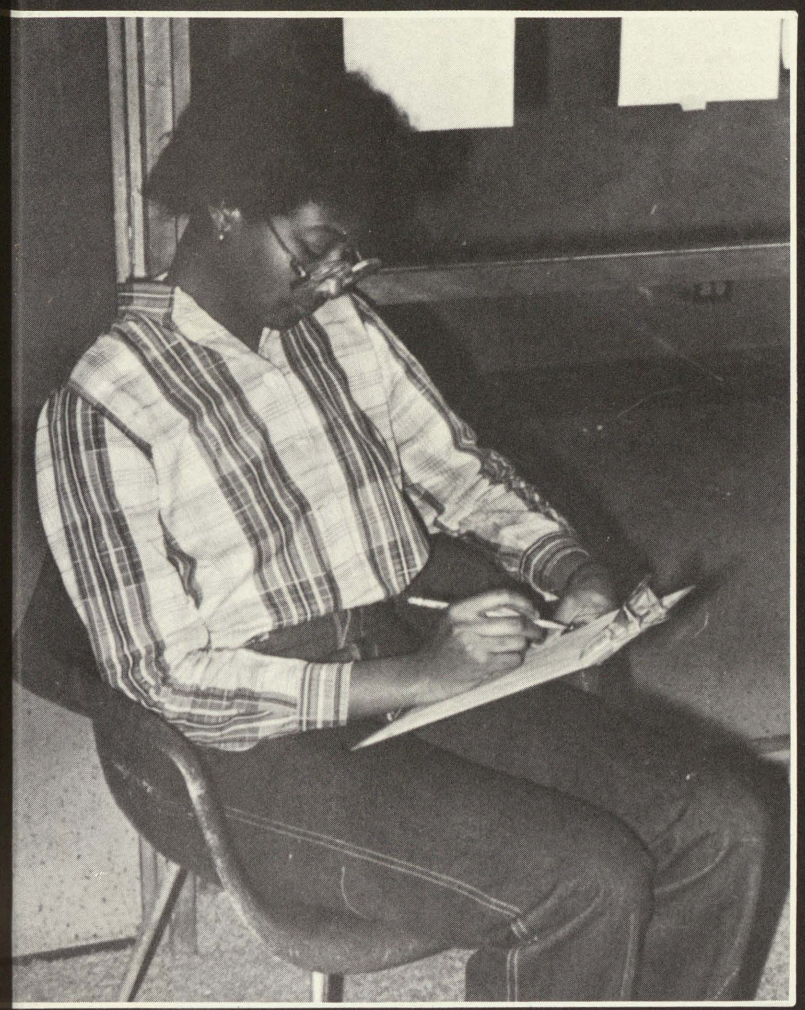
GENERAL TALENT

Inside Out

When referring to a person
Why does the reference of "race"
Enter the conversation?
Why does the reference of "color"
Enter the conversation?
Is there such a thing as "race"?
Is there such a thing as "color"?
"Race" is sometimes used to
Poke fun at a person,
"Color" is sometimes used to
Degrade a person.
When it all boils down,
The tool of judgment
About a person
Should be
What the person is really like
On the inside
Not the outside



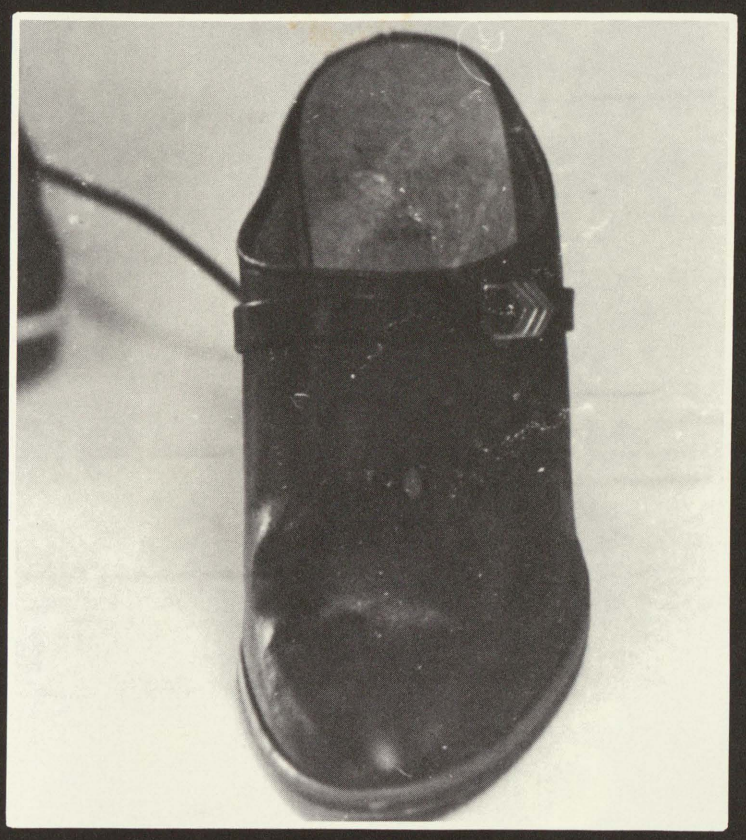


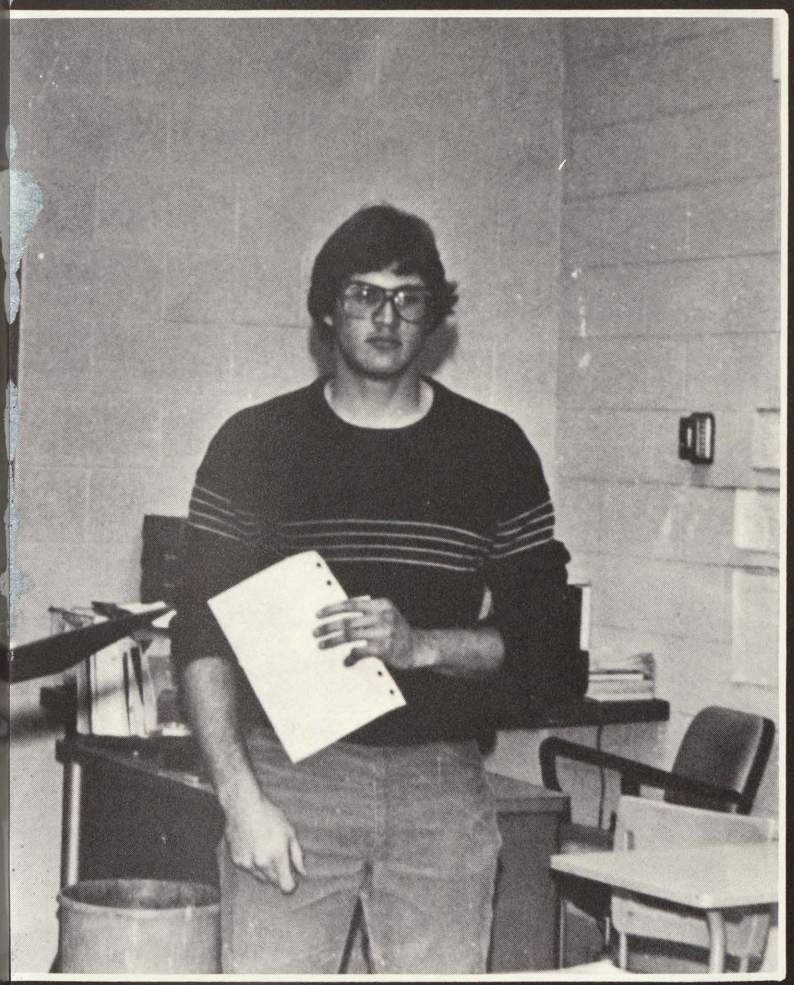
They say that there isn't a word that rhymes with orange, but Gloria Braddock (upper right) is doing her best to find one. Gloria, a junior, has been writing poetry for half of her life. She gets most of her ideas from her natural surroundings. With an eye that is trained to catch nearly everything, Gloria comes up with new ideas almost daily. In 1976, she won the Black History Contest with a poem entitled "I Am Somebody."

Perspectives and prisms. . .these are just two of the words that are common to Lisa Snoke's vocabulary. These words are part of the vernacular of art, and Lisa (upper right), a senior, is very much a part of it. Says Lisa, "My main talent lies in interior design." Most of Lisa's ideas stem from photography books. She has been painting for three years. Lisa has entered a scholarship program at the Art Institute of Pittsburgh.

Singers can be found anywhere, but in Saginaw one can find an exceptional one. His name is John Mayer (lower left), and he sings tenor. He tried out for, and was accepted to the International Choir, a group of 54 high school students who travel to Europe to perform. In order to be accepted John had to sing exceptionally well, and had to sight read music. From September to June, he practiced once a month, and from June 5th to the time of departure, he endured a torturous schedule.

STYLES





Styles here today may be gone tomorrow, but most certainly back in years to come, which works out quite nicely when girls are able to wear their mother's clothes that were worn when they were younger. One thing for sure, styles seem to be constantly changing. Some of these changes include, knee socks with skirts, blazers, cowboy boots, designer jeans, jumpers, "punk" haircuts, French braids, plaid pants and velour shirts.

(upper left) Jamey Milionis in coordinated knee socks, skirt and sweater. (upper middle) Karen DiGenova topped off her blouse and slacks with the popular blazer. TAKE A GOOD LOOK

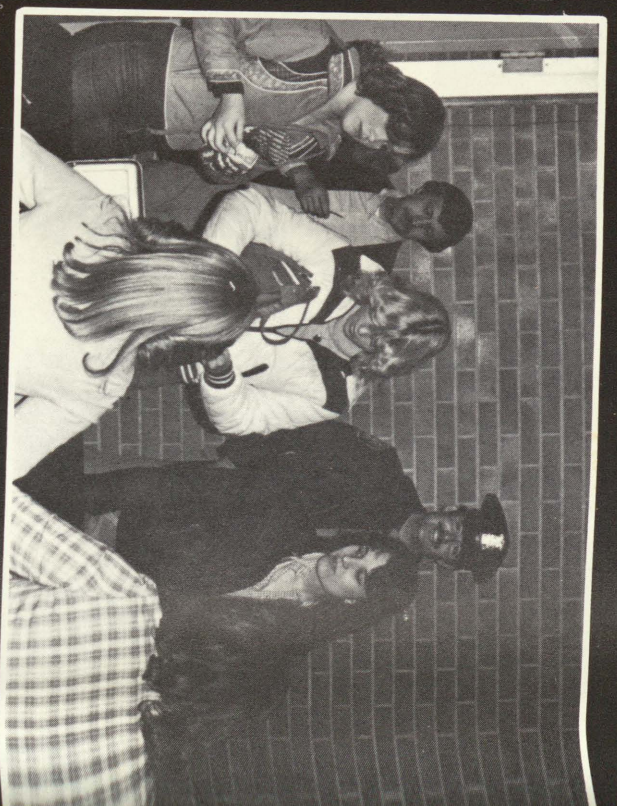
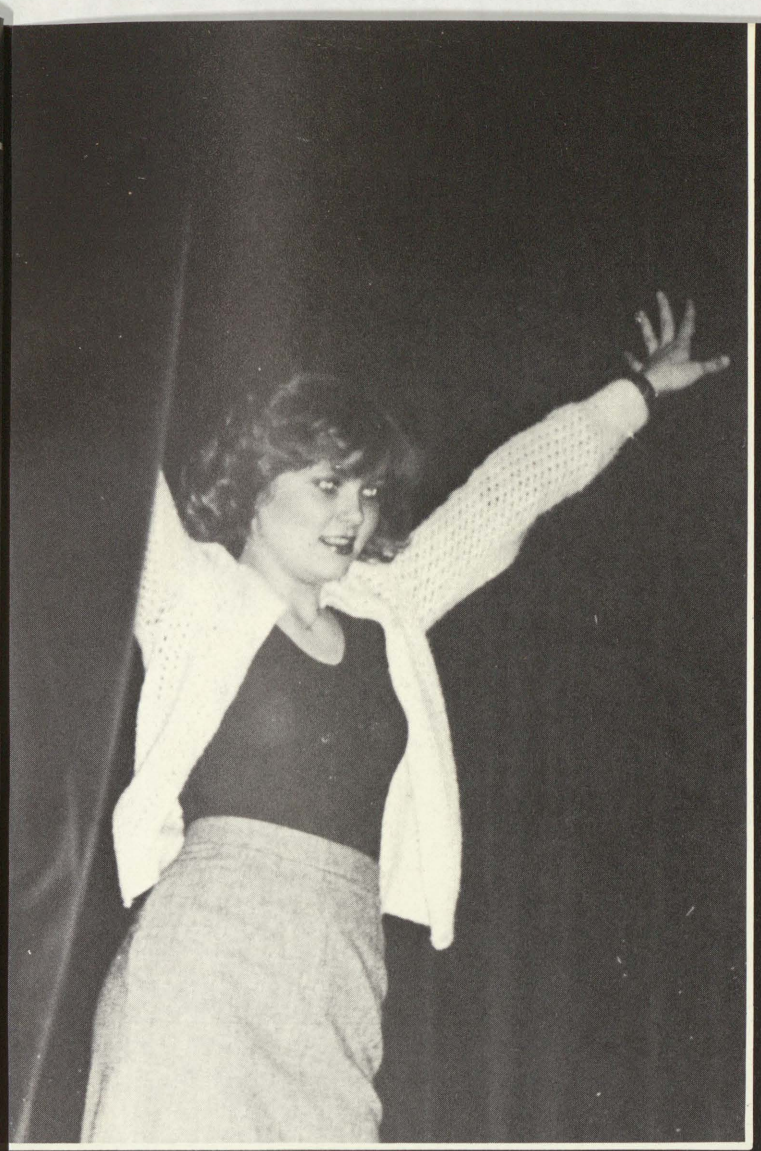
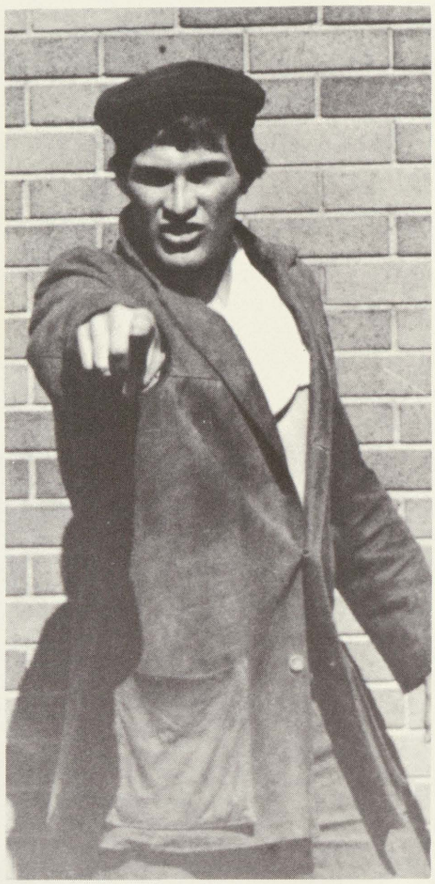
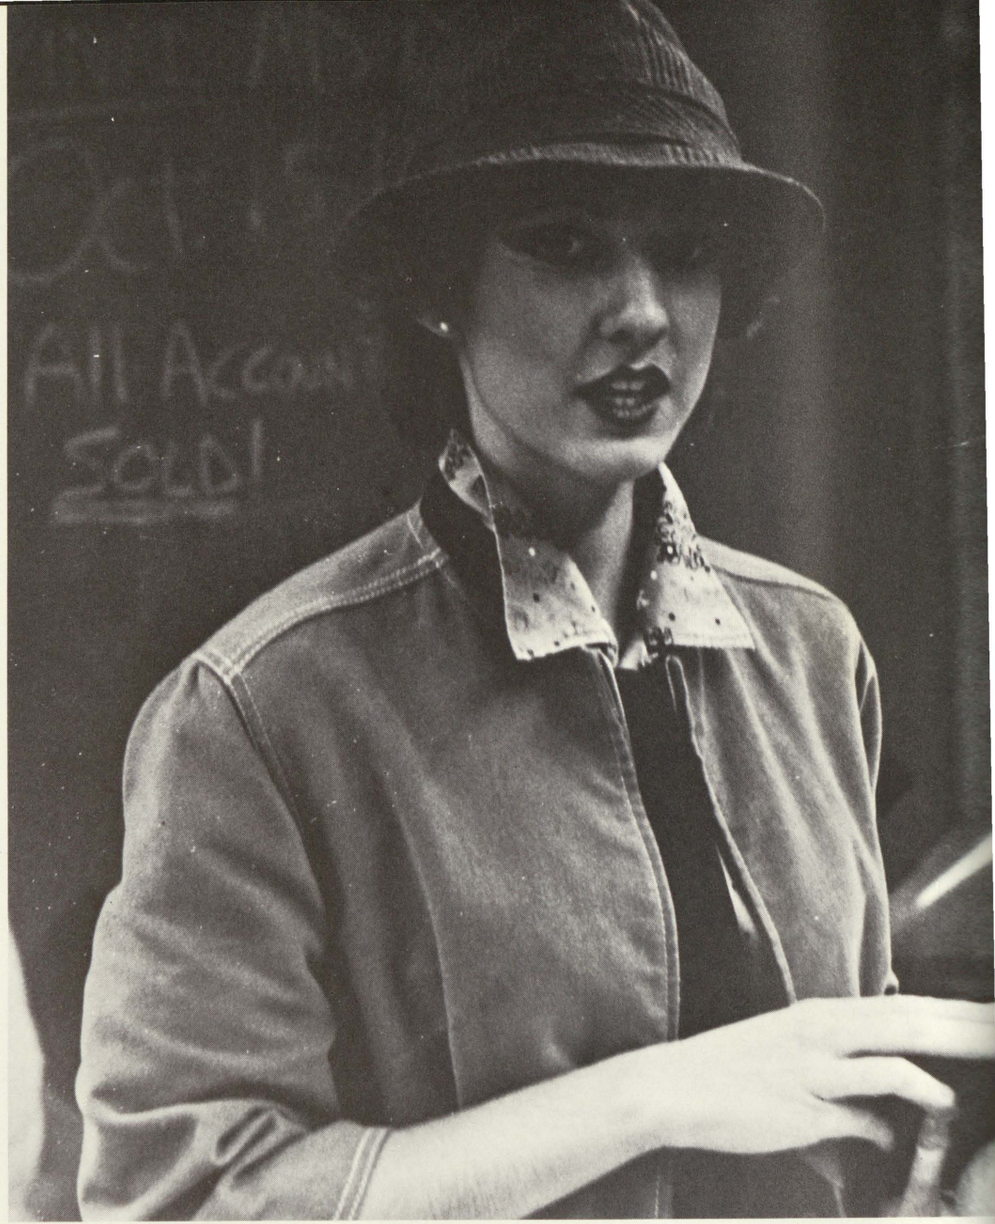
ACTIVITIES





There's a whole number of activities that a student at MacArthur can get involved in. Everyone has a chance to raise spirit and enthusiasm along with having fun. Spirit Week, and Spring Fever Week bring on Homecoming and salute the coming of summer. Activities is a major part of a students life along with Academics and sports.

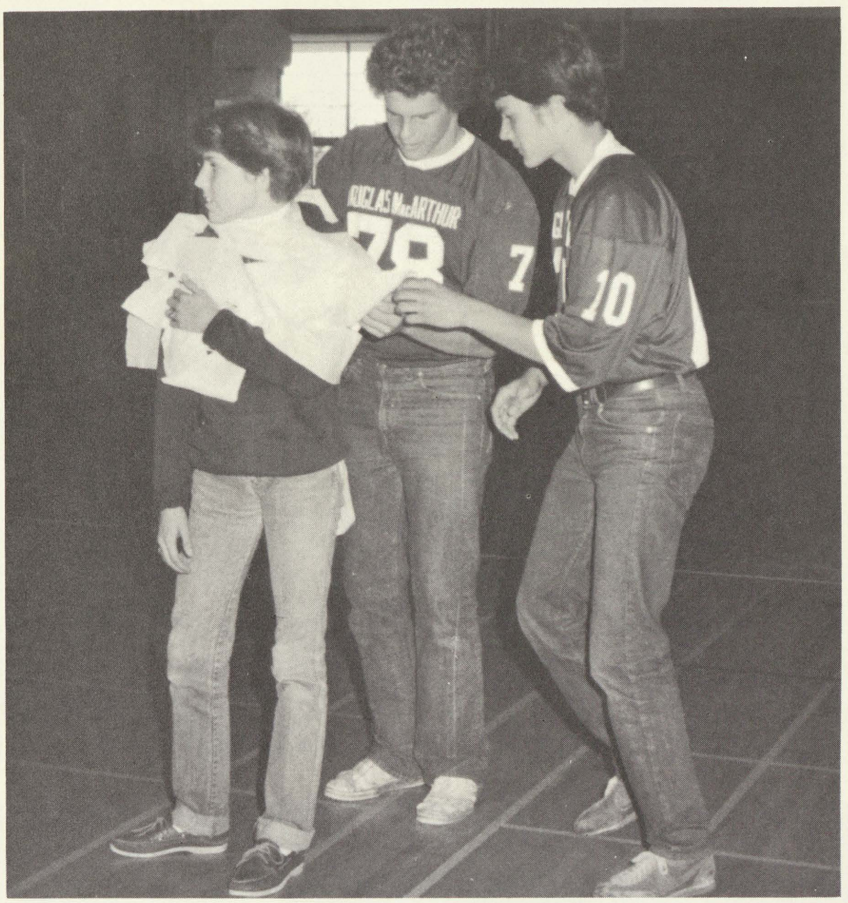


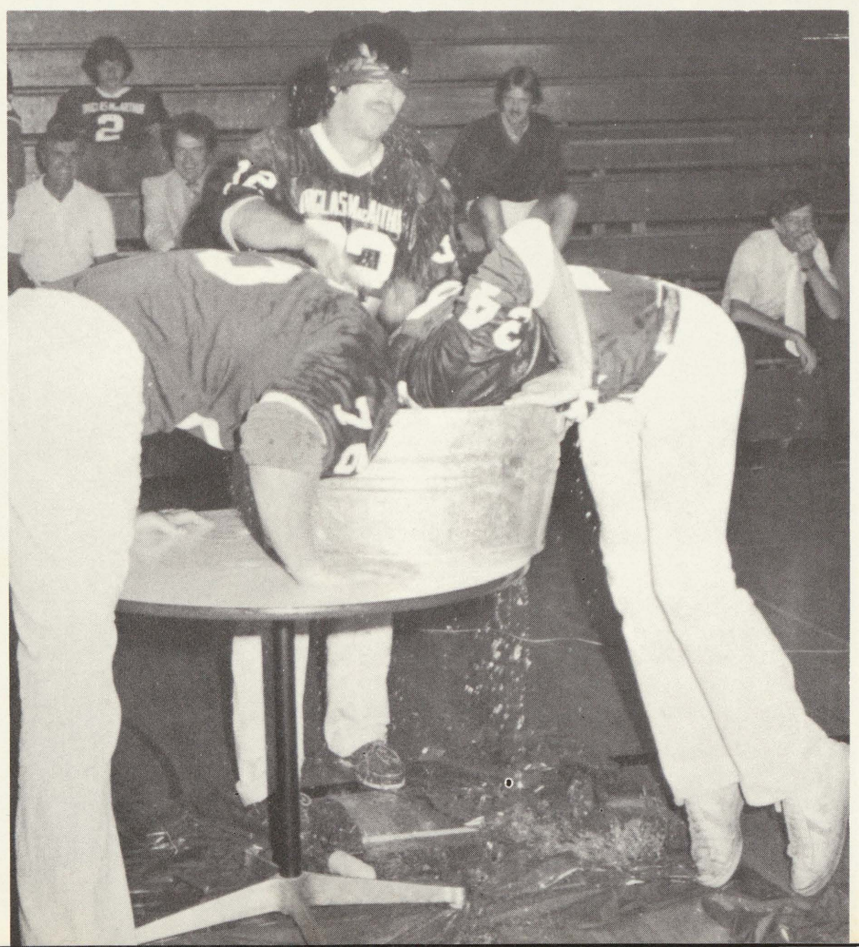


(above) Kathy Toft shows off her devo day outfit. (below) A group of seniors display their spirit at the Homecoming parade. (left) Sean Dunham wants you for Devo Day.

EXTRA ENTHUSIASM

SPIRIT WEEK





A word that best described Spirit week, 1980, was enthusiasm. Many students participated in the events which were held throughout the week before Homecoming. The week started off with a teacher appreciation day when students displayed affection for their favorite teachers by bringing an apple or some other sort of a treat.

Slave day followed on Tuesday with the auctioning of a slave to the highest bidder. Wednesday was devoted to those "punk rockers" who slipped into their tightest pants, skinniest ties and other types of bazaar outfits.

Then on Thursday, peace signs, leather jackets and headbands were among a few sights to see as D.M. was swept back to the 60's on Hippy Day.

The week was brought to an end at a spirited assembly that took place on Friday in the gym. The week was a great opportunity to take a good look at spirit and enthusiasm at its best.

LET THE GOOD TIMES ROLL

HOMECOMING

The 1980 Homecoming court consisted of nine very deserving girls instead of the traditional seven on the count of a three way tie. The Homecoming theme was, "Let The Good Times Roll." Speeches were given and voting took place afterwards. The Homecoming Queen title for 1980 was given to Laura McMahan. Amy Mayne and Terry Diffin were named first attendants.

Sheri Pastirzyk, the 1979 Queen, crowned Laura and Mr. Strautnieks presented her with a football and flowers. The court then paraded around the field in Corvettes. The floats made by each class followed behind.

The Homecoming dance, which was the following night, was a big success. The featured band was Dartz.

MOVING IN STEP

HIGH SPIRITS

Cheerleading had many changes. Camilla Mayer became the new coach, new cheers were created, and the Freshman Squad was reduced from 12 to 7 girls.

During the summer months, the Varsity Squad attended a camp. They went to a USCA cheerleading camp for four days and won a ribbon for their pom-pon routine. The J.V. and Freshman Squads also attended camps.

All of the squads did activities to raise money. Together they held bingos, car washes, and a cheerleading clinic for 7th and 8th graders. The Varsity Squad had a "Tramp-a-thon" where they jumped for 15 hours straight on a trampoline. The J.V. Squad held a rose sale in the fall.

Seniors who left the Varsity Squad upon graduation were Stacey Milionis and Janice Gonzalez.

HIGH STEPPERS

UNIQUE ROUTINES

Eighteen girls on the Varsity Pom Pon Squad certainly added alot of spirit to another year at DM. The squad was chosen in April and worked all summer toward the coming year. They attended camp at Albion College where they came home with five 1st place ribbons, two seconds, a plaque for "Most Improved Squad" and a trophy for "Best Performance."

The squad consisted of six seniors, four juniors, and eight sophomores. Denise Wilhem and Nancy Simpkins led the squad as captains while Jill Frahm filled the position of secretary/treasurer. The other seniors who left the squad upon graduation were Jill Owens and Cindy Rooker.

The JV squad was chosen early in the year. This provided them with time to prepare for their season. Both the Varsity and the JV routines became a featured highlight at home football and basketball games.

The production of the 1980-81 Ventus relied greatly on the efforts made by a group of seniors already graduated. David Smith and Karen Koepke were co-editors. Also, Martin Briggs, Sally Heidger, Bruce Smith and Cynthia Urbytes all contributed to the final decisions which were made last year. Contributions were collected by students this year in order for the production of Ventus.

In the past, Ventus has spanned two years, but things were different this year. This Ventus was the first annual production of the book. Much credit and thanks goes out to Mr. Bilby for the use of his printing shop.

VENTUS AND YEARBOOK

PICS -N- POETRY

Take a good look at the people who captured those unforgettable moments expressions, personalities, and memories shared with friends. This was done by the work of the 1981 Yearbook Staff. Hard work and devotion helped to develop some added features which included: six additional pages, eight pages of color photography, new cover design, and increased size of the Senior pictures. The staff was headed by advisor Nancy Tutera, Co-editors Doug Hawk and Marianne Westedorf, and Lori Riffel was Business Manager

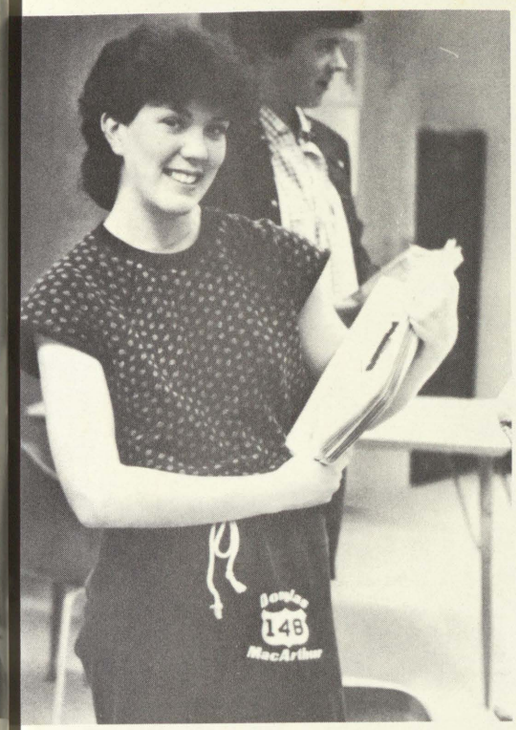
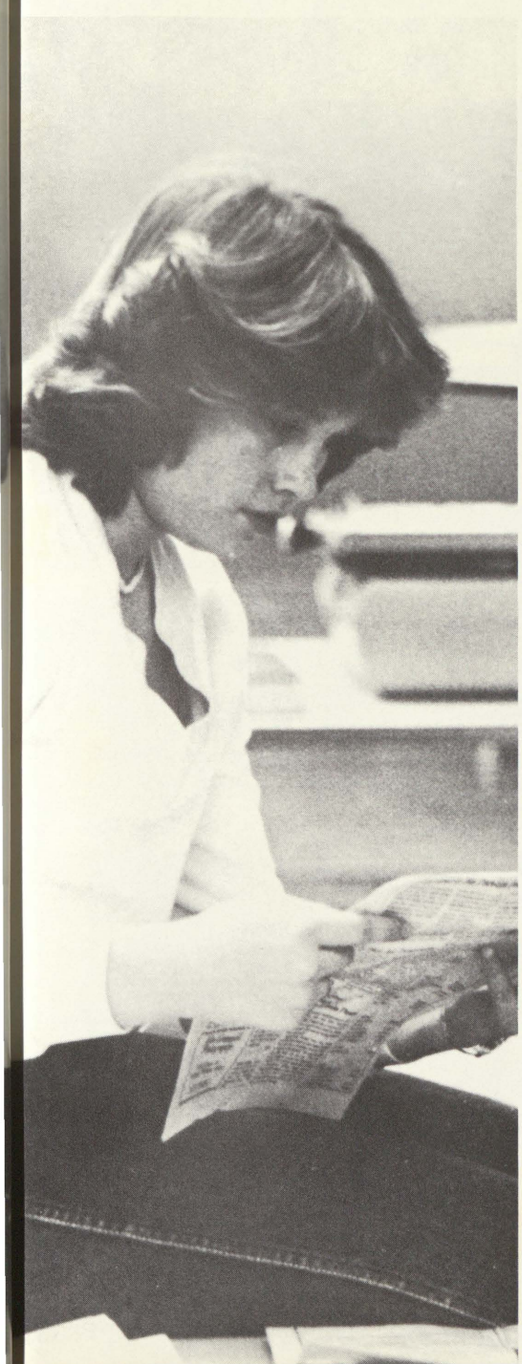
Editor Steve Slawinski types up the staff box for the upcoming edition.

GENERAL



The General News, under the careful direction of their advisor, Linda Howdyshell, produced sixteen papers. Peter Connolly was the editor-in-chief until his retirement at the semester change, when Laura Makuch was drafted to take his place. Kim Landeryou, the business manager, kept careful track of all business transactions.

The entire staff worked hard to produce a high quality student newspaper. Attendance at special events was markedly higher than last year, and this showed in story quality, and completeness. The journalism classes helped to complete two papers, and the senior edition was a "huge" sixteen pages!



(top left) preparing to pass out papers, Amy Reeve flashes a prize-winning smile to the photographer, (top right) News advisor Linda Howdyshell reviews past papers for comparison with more recent issues, (above) staff members sort out papers for distribution to students.

STEPPING IN TIME

PRECISE MARCHING

Drum Major Rick Salonen led the Marching Band through many activities during the Marching Band season. Their routines at the half-time football performances were precise and colorful including Halloween costumes at the Swan Valley Game. The fifty member band included twelve flag girls and four majorettes. Away, they performed at Eisenhower and at the quarter-final play-off football game at Arthur Hill. They participated in the Ferris State College Band Day, The Veterans Day Parade and at Green Acres Shopping Center during the Christmas season.

CONCERT BAND

RHYTHM & BEAT

Concert Band members once again performed at many DM activities. They performed at the Christmas Concert, placed and won medals at the District Band Festival on February 28, at John Glenn High School, and some members participated in the musical "Bye Bye Birdie." They finished the year by giving a Spring Concert.

The band consisted of 50 members, and their rehearsals were held everyday, fourth hour. There were also many other small groups involved within the band, such as: Jazz Band, Pep Band, and personal instruments. An Outstanding Musical Performance Award, from the Marines, was presented to band member Theresa Murphy.

A PERFORMING ART

TALENTED VOICES

The DMHS Vocal Music Department, led by Linda Shoppe, has had a very successful and enjoyable year. Her three groups: Choir, General Revue, and Triple Trio, participated in a total of approximately seventy shows this year.

The choir consisted of 45 students, and a few of their many performances included singing at the Open House, Christmas Concert, Chippewa School, Civic Center, Delta Music Festival, the Rotunda of the State Captiol Building, and at Fashion Square Mall's Christmas Concert.

Of the many shows that General Revue did this year, a few of the high lights were their entertainment at the "Showboat" in Heritage Theater, the Radisson, Fashion Square Mall, nursing homes and honor banquets.

The Triple Trio consisted of nine young women with outstanding singing ability. All together, they sang at about forty-five places. They entertained at many of the men's service groups, other banquets, the U of M alumni, school honor banquets, church meetings, and received first place at the District Contest.

The musical " Bye-Bye Birdie" was put on this year, the first time since the early sixties. A majority of the students that participated in it were from the music department. The remainder came from the drama department.

All three groups met as a class everyday, and this year was the best and biggest ever. Linda Shoppe speaks proudly of her students, "Every year the group has grown in quantity and quality."

STUDENT CONGRESS

LEADERSHIP

On order to faithfully serve a group of people, an organization must be developed with that idea in mind. At D.M., Student Congress acts as a form of government. When a situation or problem a rose, it was up to Student Congress to make the best decisions for the benefit of the students. Their main objective this year was to abolish school apathy. Led by President Murray Borrello and advisor, Mr. Rush, a variety of activities such as: carnation sales, dances, posting bulletin boards, a Student Congress Newsletter, and other attention getters were held throughout the year. This group also organized Spirit Week which proved to be a huge success.

In the Spring it was time for the General Staff election and all of the events that went with it. A blood drive went under way, and many students volunteered to make it a worthwhile effort. Projects to beautify the school were developed. Trash cans were painted, flowers were planted and ideas for murals in the Halls were created. All in all, to get a good look at leadership means to take a good look at D.M.s Student Congress

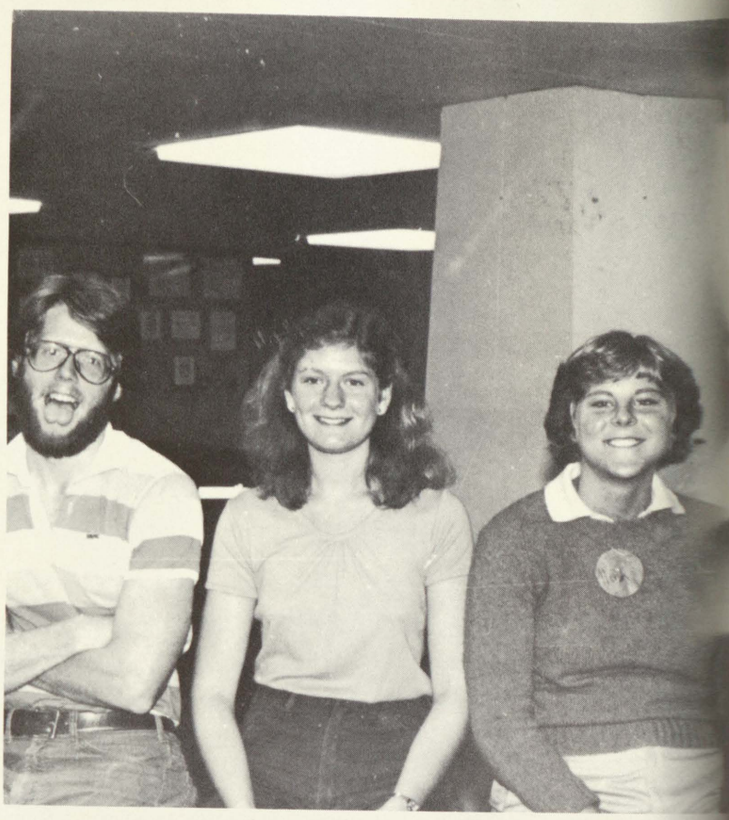
WHAT AN HONOR



Under the leadership of President Sue Arcangeli, Vice-President Sarah Midesell, Secretary Kevin Howard and Treasurer Tom Richardson, the 1980-81 National Honor Society organized several money making community activities. Proceeds from the Rock-A-Thon were donated to Teen Challenge, and there were a number of other events, including the annual Halloween Party, sponsored by NHS.

NHS accomplished the activities and events with the cooperation and time of the NHS advisors, Mrs. Wilder, Mrs. LaPlante and Mr. Anderson

PARTICIPATION

FOREIGN VENTURE

Interested language students have a choice of either Latin, German, French, or Spanish. Each language has a club which includes a variety of activities.

The German club had a Halloween party, bowling trip, canoe trip, card party, and took part in the International Dinner. The group was lead by President—Anne Federlein Vice president—Terri Diffin; Treasurer—Thomas Richardson: and Secretary—Jodi Hebl.

The French club had a canoe trip, a French Banquet, an ice-skating and tobogganing trip, a movie, participated in the International Dinner, and are trying to organize a trip to Quebec. The President was Marianne Neilson; Vice-President—Carla Greketis; Treasurer—Lisa Kennelly; and Secretary—Tracy Tucker.

The Spanish club had a toboggan trip, canoe trip, spanish Dinner, bowling trip, roller-skating trip and they participated in the International Dinner. The President was Bob Ostrander; Vice-President; Paula Williamson, Treasurer; Diane Van Haaften and Secretary Chris Sawdon.

The Latin Club had a canoe trip, a Luau, a Christmas Party, a rock-a-thon, a Halloween Party, a banquet and they participated in the Foreign Dinner. The consuls were Sean Dunham and Melinda Clynes, Treasurer, Mary Pfund, and secretary—Lisa Riefe.

SHAVING CREAM, SCOOTERS & NYLONS

FUNFILLED WEEK

Spring Fever Week was held on May 4th-8th. Monday was Hat & Sunglasses Day. Many of the students came to school wearing caps to sombreros. On Tuesday, hush buttons were given out to the guys in their first or second hour class. That same night, The Dating Game was held. It was quite funny to see who the couples were, who also received two tickets to the Quad Theater. Hawaiian Paradise Day was held on Wednesday and Formal Dress Up Day followed on Thursday. Everyone was in great suspense to find out who was going to be the 1980-81 General. The waiting was finally over when they capped Murray Borrello.

Spring Fever Week ended on Friday with an exciting assembly filled with many relay contests. The sophomores won both the scooter race and the nylon contest. Mrs. Biver, one of our own staff members, won the shaving cream contest, while the unknown comic entertained the students with a variety of jokes. The week went by quickly but it provided the students with an excellent opportunity to become involved within the DM spirit.

FRIDAY, MAY 8, 1981

ON STEP CLOSER

One of the most memorable occasions of one's highschool days would have to be their Junior-Senior Prom. Held at Delta College, students danced the night away from 9:00 until 1:00 to music performed by Ceyx.

The weather was beautiful which certainly made the pre-prom parties and events afterwards that much more enjoyable. Organized by the Junior class, those who attended would have to agree that the efforts and hard work that was involved was well worth it.

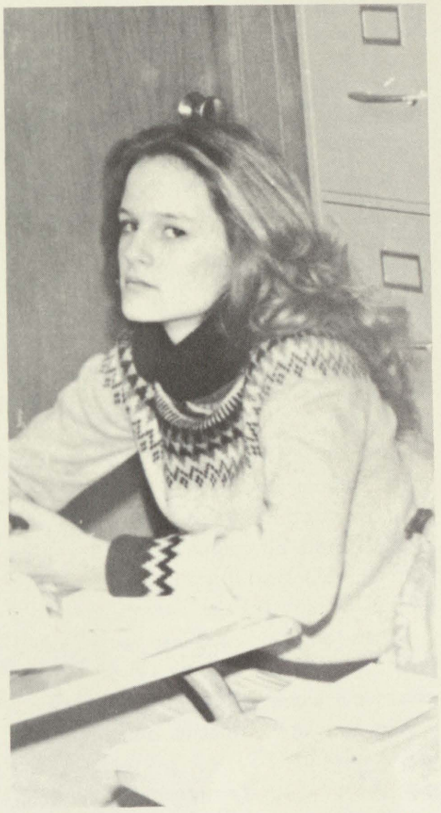
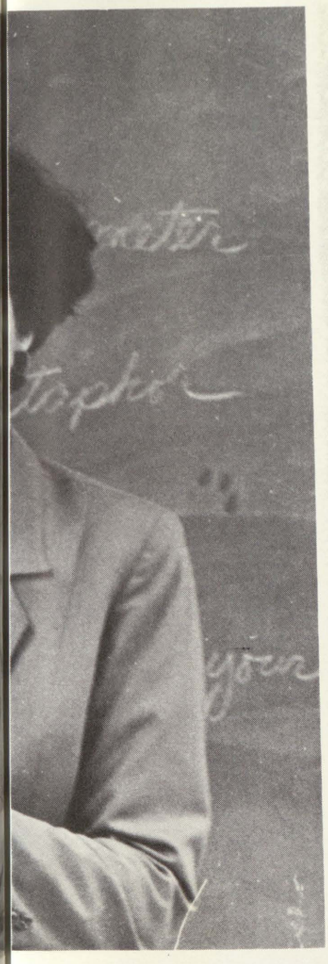
THE DEBATE TEAM

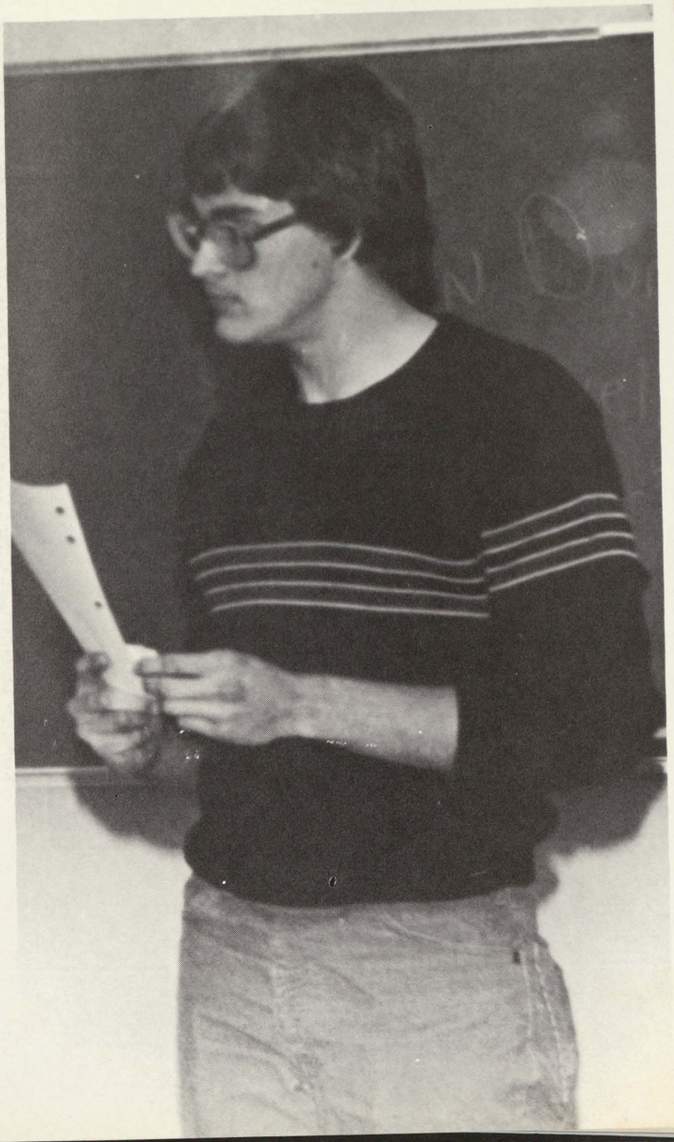
GREATER DEBATERS

Our Douglas MacArthur Debate Team is the first in three years. They dropped the debate class in 1979 because of lack of enrollment. This year they tried this class again and ended up with 16 debaters (mostly freshmen). We had a smaller team with no previous experience compared to other schools. The Debaters sacrificed 7th hour twice a week and went to meets at either Eisenhower or Garber to debate against all area high schools and in all three divisions.

(Top) Debate Team; Back row; Eric Rabold, David Singh, Dave Varana, Rick Symons, Coach Grace Makrianis, John Kimmel, Bill Wolf. Middle row; Beth Murray, Amy Schwanbeck, Ruth Byers, John Villanueva, Janice Gonzales. Front row; Mark Holloway. Missing from picture; Michele Cinque, Jill Cleveland, Sean Dunham, and Murray Borrello. (Bottom) Even John Kimmel needs a helping hand once in a while!







(Top left) Bill Wolf makes a point with a little humor involved. (Top right) Jill Cleveland shows the look of frustration in the middle of a debate. (Bottom) Sean Dunham listens intently to the opponents answer during the cross examination.

VISITORS FROM ABROAD

FOREIGN FRIENDS

Our two official exchange students this year are both from Northern Europe. They include Britta Jung from W. Germany, and Beth Karlsson from Sweden.

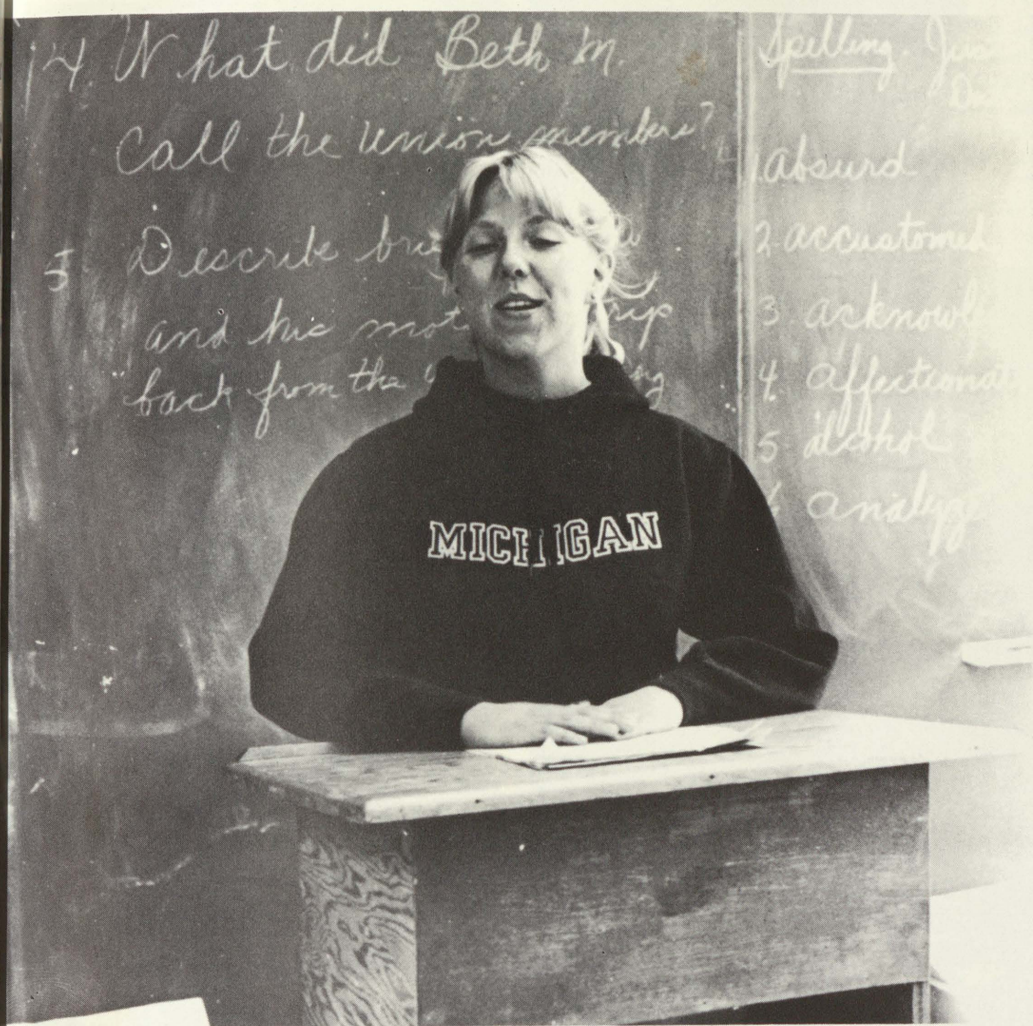
Britta's hobbies include playing basketball, volleyball, and just getting together with friends to talk and listen to music. Beth enjoys activities such as swimming, volleyball, and visiting with her friends. She also likes to travel.

We also have two visitors from South America attending DMHS this year. They are Rafael Perez from Caracas, Venezuela and Carlos Martin from Buenos Aires, Argentina. Rafael is interested in playing soccer and flying small airplanes. Carlos enjoys soccer also and participated in the DMHS Varsity Soccer Team.

When all four students were asked how they felt about the U.S., a few comments were: "It's a great country . . . I like it a lot . . . not as much freedom (more rules in U.S.) . . . people are very nice here . . . it's interesting learning about other customs and school systems . . . and, It's 'nearly' as good as Sweden!" That last comment, of course, was stated by Beth Karlsson.

(above) Our European Exchange Students, Beth Karlsson from Sweden and Britta Jung from W. Germany, enjoy some Saginaw sun. (below) South American visitors, Rafael Perez from Venezuela and Carlos Martin from Argentina, outside of MacArthur on a spring day.

DYNAMIC SPEECH



This year a new class was offered called Forensics, taught by Grace Makrianis. Its purpose was to give students a rounded understanding in communicative skills through many events. It offered a variety of competition: persuasive speaking, impromptu speaking, storytelling, serious and humorous interpretative readings, radio speaking, dramatic duos, and multiple reading.

They competed in a series of meets: invitational, district, regional, state, and a pentathlon where one person participated in five events.

Students who placed in the District Contest were John Villanueva, first in impromptu speaking; Amy Gulliver, third in serious interpretative speaking, and Murray Borrello, third in storytelling.

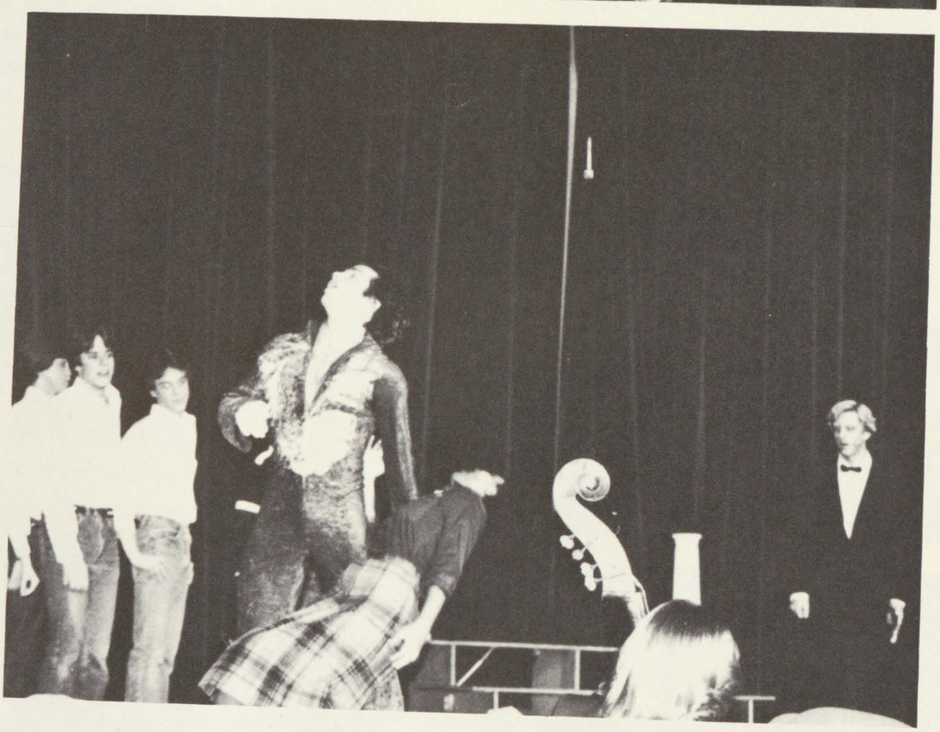
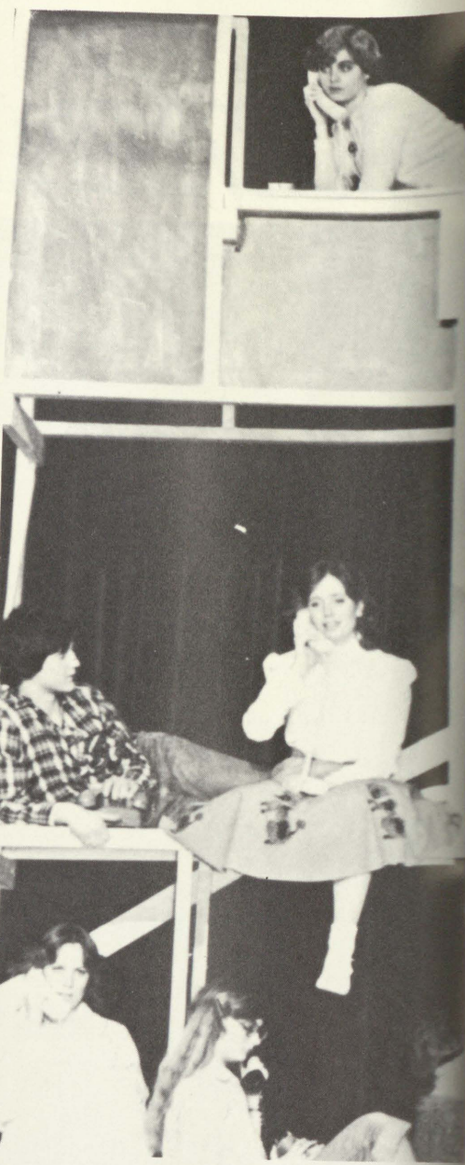
SONG, DANCE, ACTION

BYE...BIRDIE

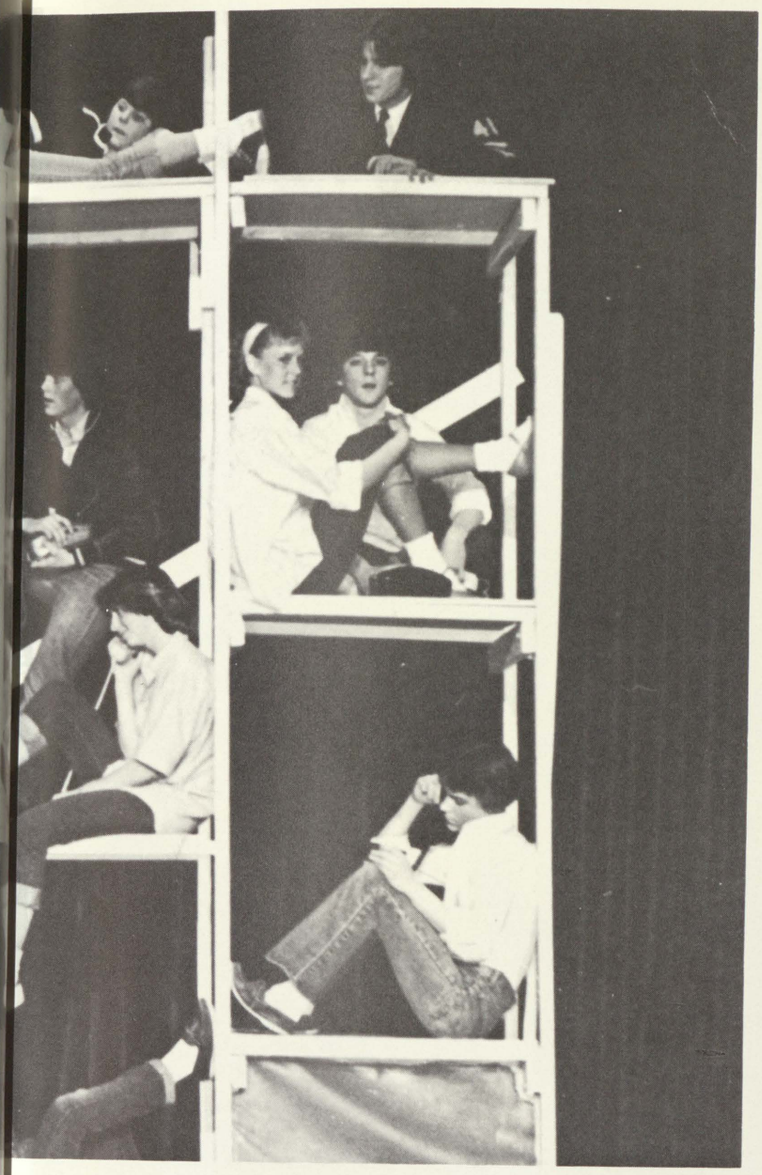
People fidgeted in their seats as they waited for the orchestra to strike up the entrance. The cast was large, having 36 members. The leads were: D. Beal (Conrad), J. Mayer (Albert), T. Diffin (Rosie), D. McMullen, A. Kelley, Dw. Beal, and K. Stroom (the MacAfee family), B. Swanson (Hugo), M. Maturen (the Mayor), B. Kershul (the Mayor's wife), and P. Gifford (Ursula).

This was the first musical to have been produced by DM since 1967. The Drama Dept, Vocal Music Dept, Band Dept, and their leaders; Mrs. Makrianis, Mrs. Schopp, and Mr. Bellen, combined their efforts to make this a very memorable production.

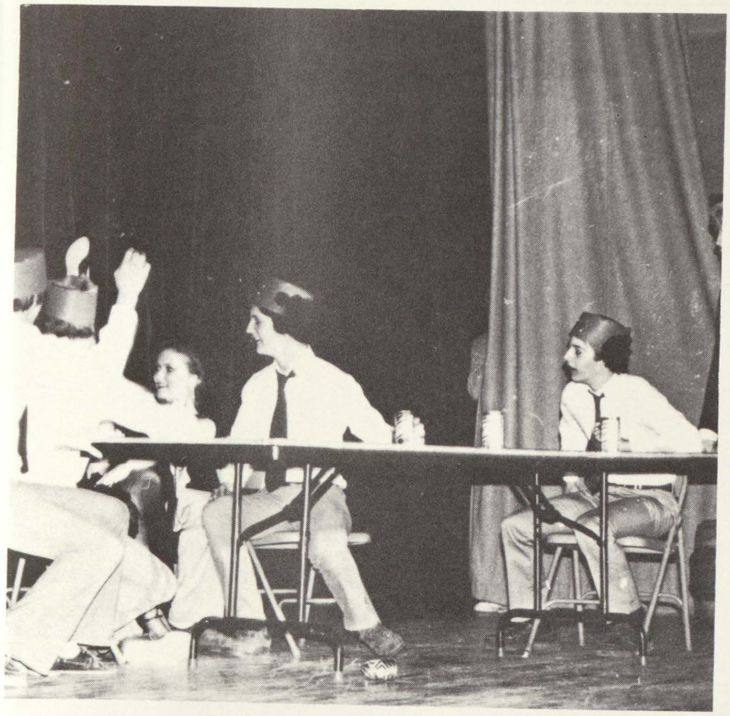


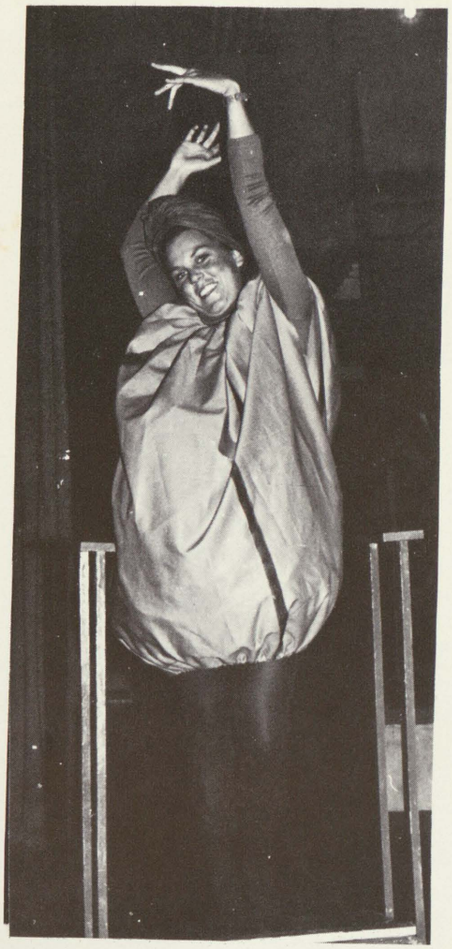


(top) "Mama, I told you to take the taxi," remarks Albert (J. Mayer) to his mother (D. Eurich), (above) "SUFFER!!!" pleads Conrad Birdie (D. Beal), as a townswoman (J. Rowe) melts into his arms. Meanwhile, the entire crowd faints before the confused mayor (M. Maturen), and the townsmen. (right) "We're going to be on Ed Sullivan!!" rejoices the MacAfee family (D. McMullen A. Kelley, K. Stroom, and Dw. Beal).



(clockwise, from top) The cast assembles on the set for a production number—the massive "Telephone Hour", BUUURRRPPP!!! is the sound heard as Conrad (Dayna Beal) drinks his breakfast, The slightly intoxicated shriners look on as Rosie (Terri Diffin) struts around the table in the flamboyant production of "Spanish Rose", "We love you Conrad!!!", shrieks the teen trio (Jenny Randall, Laura Diffin, and Polly Gifford)

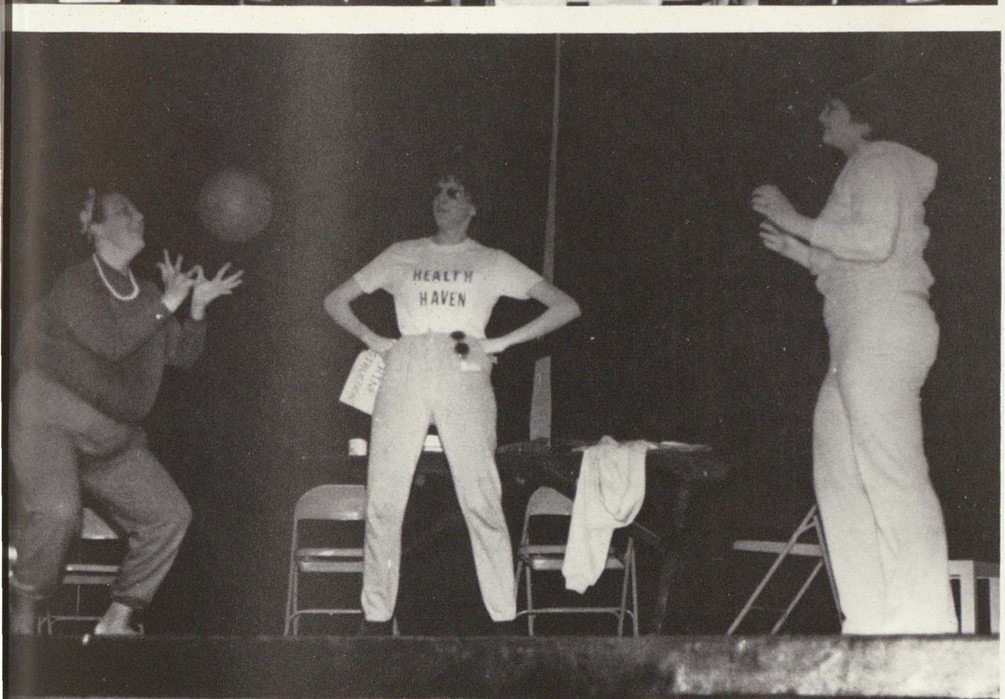




(Top Left) Jan Pruitt posing as a pumpkin. (Top Right) The winning play **Davey Rocket** by the Sophomores. (Bottom Right) John Villaneuva, Holly Robertson, and Jim Clark practice for the Freshman Play.

COMPETITION

PARTICIPATION



Competition plays, a regular spring event was a smashing success this year with many participating in all four plays.

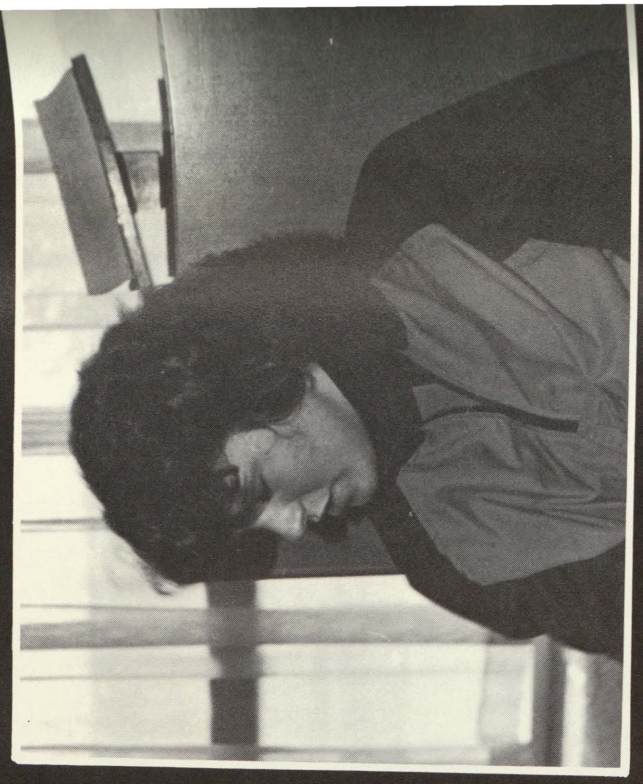
The freshmen play was called **The Go-Go Gophers.** The advisor was Mr. Miller and the director was Andre Borrello. The play participants included: Holly Robertson, Julie Wineman, Sandy Dorward, Beth Murray, John Villaneuva, Bill Weadock, Chris Buckley, Dan Dunham, Jim Clark, John Carey, Ann Bieri, Lisa Thomas, Lori Clevenger, and a number of girls for screaming were all in the play.

Sophomores selected **The Saga Of Dave Rocket.** The advisor was Mrs. Mazany and the Director was Janet Simpkins. Dwight Beal, Brad Hobbs, Tom Stroebel, Tina Schmidt, Sara Fisk, Chantelle Perreault, Nancy Kunnen, Doug Fox, Debbie Hausler, and Amy Ardin were in the play.

Health Wealth and Wild was produced by the Juniors. The advisor was Mr. Donahue and the director was Kirsti Stroom, Mike Maturen, Barb Kershul, Jody Karnoski, Angie Provenzano, Dan Dwyer, Lori Mack, Melinda Clynes, Rick Simons, Tony Bear, and Bob Irish were all in the play.

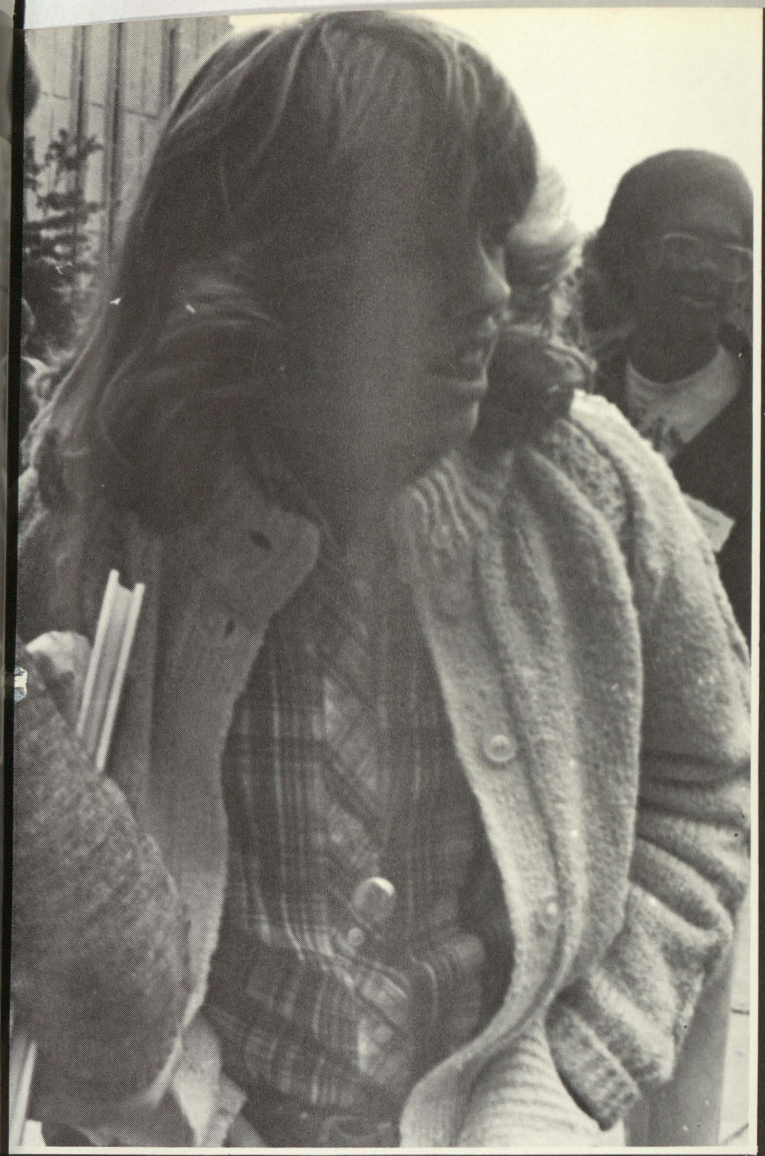
The Seniors "froliced" through **The Green Thumb From Outer Space.** The advisor was Mrs. Tutera and Jennie Losee was the director, Doug Hawke, Jody Thick, Laura MacMahan, Rod Federlein, John Cowell, Jason Jamson, Dave Bear, Jan Pruitt, Kevin Howard, Tammy Jackson, Doug Redfield, Craig Szeman, Chris Duncan, Ray Gay were all in the play.

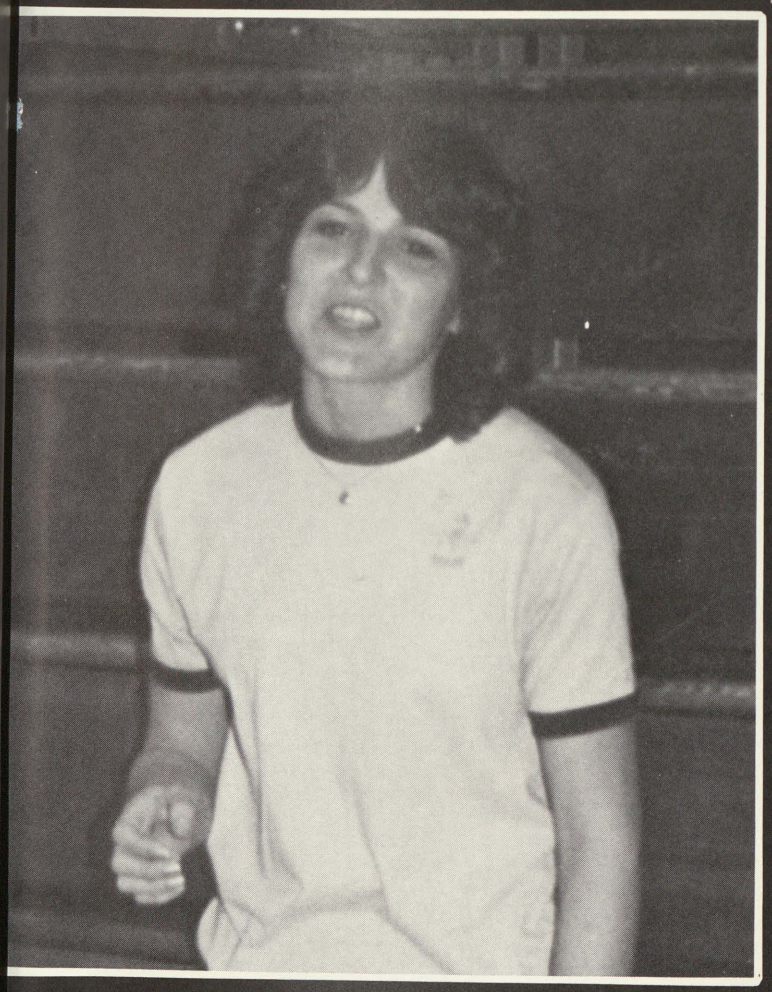
(Top) Most Outstanding actors were Rod Federlein, Laura MacMahan, Bob Irish, and Lori Mack. (Bottom) Barb Kershul, Melinda Clynes, and Angie Provenzano lose weight in their health play.



ALBUM

TAKE A GOOD LOOK





This was the first year of high school for the Freshmen at MacArthur. They had to adjust to a totally different lifestyle such as an open campus and a wide choice of foods in the Kiva.

Sophomores are now 1 year into high school. This is the year where they really start getting involved in outside activities. There are not many other pressures on the sophomores except keeping up their grades.

The Junior year is one of the most important years in your life. Every class you take and every grade you get in your Junior year can affect the rest of your life. Colleges look at the Junior year with the most intent. Juniors also have to look at colleges, and try to plan the rest of their life. PSAT, SAT, and ACT exams are usually taken towards the end of the Junior year. If you can make it as a Junior you can make it through almost anything.

The Senior year is termed as "Wild and Crazy." While Seniors try to maintain their academic standards, fun is the main event. Senioritis can strike at almost any moment, any place. But when it does, there's no telling what a Senior might do.

CLASS OF '81

RADICAL ROWDIES

The Seniors had four wild and crazy years at MacArthur, with their last year being the craziest. They attended football games, basketball games, dances, parties and became involved in many other activities. They learned new things, made new friends, and shared many good times. Many will remember Homecoming, the trip to Cedar Point and the trip to Daytona Beach. The Seniors of 1981 will be long remembered as the class of "radical rowdies."

The Class of '81

When we were freshmen
What did we see,
But graduation day
And us, the Seniors to be.

We tried everything
To cover up our fears,
We looked into the future
And saw four exciting years.

Now when we look back,
The years just flew by,
"It looks like we made it,"
We say with a sigh.

Look at us
And the friends we've made,
Soon to depart
But our memories won't fade.

We soon will go
Our separate ways,
On our own at last
To find the world is a maze.

We all have grown
Ever so close,
Like some sort of potion
We each got a dose.

It's nearing the end now
MacArthur we will leave behind,
New friends, fame and fortune
We all hope to find.

But never to forget
Florida, parties, and all of the fun,
As we are the greatest
The class of '81

"UNITED WE STAND

With Barry Manilow's hit song, "One Voice" softly playing in the background, the seniors walked onto the field for the beginning of the Baccalaureate Service.

After the opening welcome, given by David McMullen, Tamara King gave the first scripture reading. The senior choir then sang "One Voice", followed by another scripture by William Swanson. After a talk by Rev. Mark Neumeirer entitled "Clarity—A Powerful Voice", the senior sextet gave their rendition of "Teach Me Lord". Patrick Houlihan then read from Corinthians 12:12-20 as the third scripture, which preceded a talk entitled "United We Stand," given by the Rev. Fr. Edward Tlucek, O.F.M. Next the senior choir sang "Old Irish Blessing", and afterwards the entire congregation sang "How Great Thou Art". Principal Strautnieks said the benediction, and the seniors marched out.

The Baccalaureate Service was sponsored by the DMHS Blue and White Club, and the committee consisted of Mary Jo Zuziak (faculty advisor), and Terrilyn Diffin.

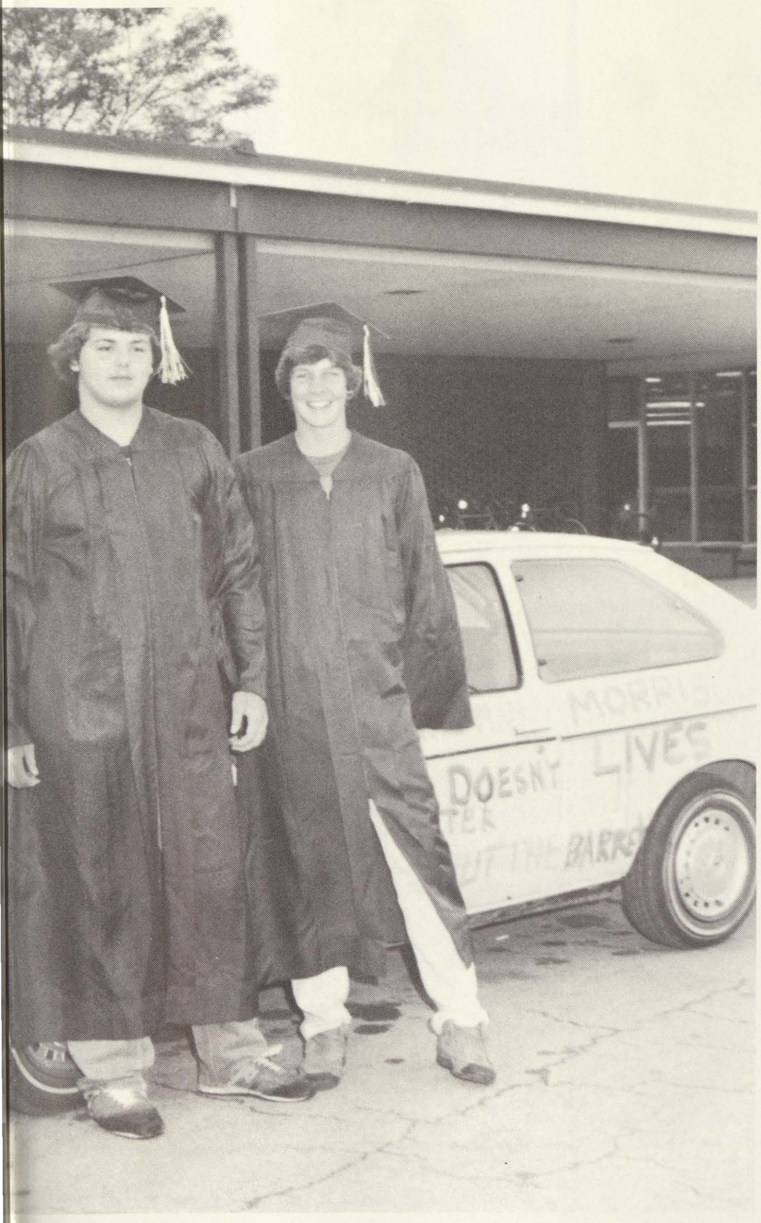
SR ENTHUSIASM



Trips to Florida and Cedar Point highlighted the end of the year for many seniors. Their Senior Party was held at Ted's Banquet Hall on Friday, May 29th, with a DJ and pizzas for all. The Seniors wore their caps and gowns for the first time in school on the day of the Senior Party and the last time at Commencement, Thursday June 4th.

COMMENCEMENT

THE LAST ACT

It was a clear June evening as Stacey Milionis took the podium to read the invocation and to welcome all the guests at Commencement. Roll call was read by Tom Richardson and Rick Salonen. Graduates Sarah Mikesell, Mike Brown and Terri Diffen gave formal speeches. Triple Trio and General Revue was also featured in the program, along with Concert Band.

ON OUR WAY

Three Hundred and Eleven students make up the outstanding Junior Class. Of the three hundred and eleven, one-hundred and twenty-one students made the honor roll. Our leaders include President—Amy Reeve, Vice-president—Dan Englke, Treasurer—Michelle Glatz, and Secretary—Kim Riffle. Some of the activities during the year included selling candy, and carnations for Valentines and Christmas. The Junior Class worked very hard for the Junior-Senior prom with the theme of "One Step Closer".

PLAYING PLATTERS

THE SPINNER

Turntables and stylus, input mode and output mode; it all may be very confusing to most, but not to one certain junior. His name is Mike Munholland, and his hobby is audiology. According to Mike, audiology is the study of sound equipment and sound patterns. He works mainly with stereo equipment and seems to enjoy his work very much. Another major aspect of his hobby is the taping of sounds and of music.

Besides his audiological background, Mike skis—both downhill and cross-country. He is involved with the school's marching, pep, and concert bands. Although he doesn't know exactly where, Mike does plan on going to college. He's not sure what his major will be.

Maybe one day soon, MacArthur's own audiologist will bring music to **everyone's** ears.

A DRILL TEAM

Most people don't like the smell of dental offices, but to Michelle Dole it's an everyday essence. Michelle doesn't have bad teeth, but she is at the dentist's office nearly every day; she works there.

This is her second year with Dr. Dwan, and she seems to enjoy her work. She calls herself a dental assistant and an assistant receptionist. Her main duties are at chairside: She hands the dentist any needed instruments, cleans up, and performs any extra duties that are required. She cannot work on the patients themselves because of special training which she doesn't yet have. As an assistant receptionist, she answers the phone, bookkeeps, types, and files.

Michelle plans on attending Central Michigan University, and then transferring to the University of Michigan to go into a medical field. Before MacArthur, she attended Ottawa Middle School.

MAKING THE BEST OF THEM

SUCCESSFUL TIMES

A spirited Sophomore class, 308 strong, showed much enthusiasm throughout the year. Council advisor, Mr. Fitzgerald, guided class president Sarah Fisk and the group through many activities. The homecoming float "Steam Roll John Glenn", took third place, which was a step up from last year. In January was a balloon sale. The balloons contained messages, and in order to read the message, the balloon had to be popped. For Valentine's Day, Sweethearts' Day, was a candy heart sale. A comedy was performed for the competition plays in March. After school was out a trip to Cedar Point was planned for everyone.

BAY VALLEY TENNIS CLUB

A GOOD RACKET

Brad Hammerschmidt has a racket that pays off. He has been working at Bay Valley Tennis Club since September, 1980, where he is a maintenance worker. Yet he also strings rackets. Brad started into this by just being around the courts and playing tennis there regularly. The pro at Bay Valley, John Duchane, worked with Brad and taught him the skill of stringing rackets. It depends on the strings he uses, but it usually takes him an hour to do one racket. He prefers working with gut strings.

At Brad's part time job, he works three nights a week and during the day on Sunday. He says he enjoys the work he does at Bay Valley, because he likes working around friends. This and playing tennis are his main interests.

WORKING AT WRIGHT KAY

RINGS & THINGS

Working at Wright Kay Jewelry at Fashion Square Mall keeps Sondra Hutchison busy. She has been working there since fall when her older sister got her a job.

Sondra has many things to do at work. She does gift wrapping, cleaning up, pricing jewelry, inventory, and sales slips. She works two nights a week and on the weekends. Although Sondra enjoys working there, she doesn't plan on her future being with the jewelry business. She hopes to go to college and become a veterinarian.

Some of Sondra's interests include canoeing, camping, waterskiing, volleyball, and tobogganing.

AN ISLAND JOB

What would it be like to work the entire summer on Mackinac Island? Just ask Suzi Raycraft who worked there last summer and plans on working there again.

Suzi worked as a maid at the Island House Hotel. She worked six 7 hour days a week. Although she enjoyed working at the hotel, she doesn't plan on working there again. This summer you will find Suzi working at Cindy's Riding Stables. She is really interested in horses and will be taking her own horse to the island in the spring.

Suzi and her family have had a house on the island for five years where they spend summers and weekends in the fall and spring.

HEADING UP

MOVING FORWARD

The freshman class started its long hike through highschool with 291 students to their credit. They moved along with their fast foot forward when the football team won the White Pine conference, putting the class in high spirits and ready to take on other activities.

Academically, the freshmen were "just getting started" in becoming accustomed to the different schedule and school work. Sleeping in everyday was a common occurance for the class of '84, since the classes did not start until 9:00 a.m. Besides having to drop one class, nobody really complained.

Among the many new activities that the ninth graders experienced were the pep assemblies. The freshmen always seemed to be at the bottom of the line when it came to these rowdy gatherings.

But as the school year came to a close, the freshmen climbed their way up the ladder of challenge, and anticipated the responsibilities of being sophomores.

SKATE FEVER

Skating is a big part of Darnell McKandes' life, since he helps out at his father's roller rink. "I started skating four years ago when my dad was going into the rollerskating business," said Darnell.

Darnell worked mostly on weekends at Cosmopolitan Roller Rink, in Saginaw. He works in the skate room giving skates to people, and he cleans up after the skate sessions. Sometimes Darnell works as a floor guard, too.

Darnell likes working at the roller rink because he meets a lot of interesting people, and he can be with some of his friends.

Darnell has won a few awards for rollerskating, so his work has paid off. Another interest of Darnell's is basketball.

HORSING AROUND

Dana Rogers horses around for fun and excitement. She has been riding since she was seven and she got her own horse three years ago. She and her horse, Domino, a white Apaloosa, went to many horse shows and came back as winners. She also jumps different sized gates in competition at shows around the Tri-City area.

Dana has joined the 4-H Club in Saginaw. In 4-H they learn about other horse riders. They also put on horse shows. They meet once a week and set up activities to do. When Dana finds time away from her horse, she snow skis and models at Hudson's.

KEYS TO THE FUTURE

The keys to Andre Borrello's life have been black and white for the last ten years. Andre has been playing the piano since June, 1971, and plans to continue through college by taking music classes. When he was five years old, his mother introduced him to piano lessons.

"I've learned this through experience and practicing for ten years," said Andre. He practices often, at least an hour everyday. He has won many awards, such as the MMTA, (Michigan Music Teacher's Association) where he scored 95¼ points out of 100. Other awards were from school talent shows.

Andre says that he likes to just sit at the piano and play piece after piece. Another interest of his is helping his parents raise their champion Irish Wolfhounds.

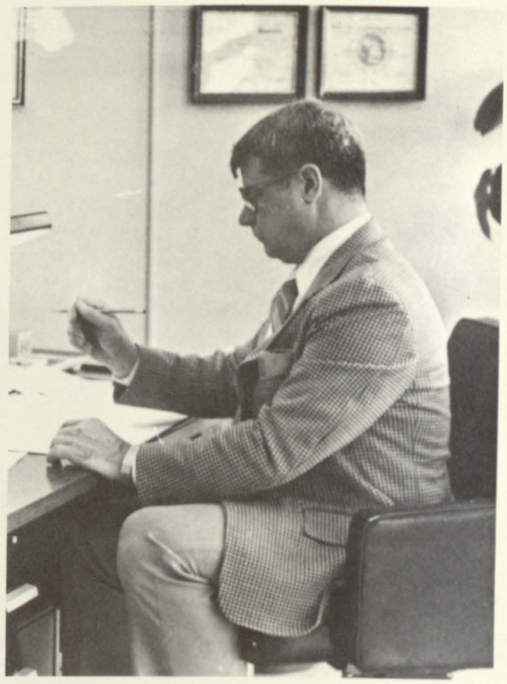
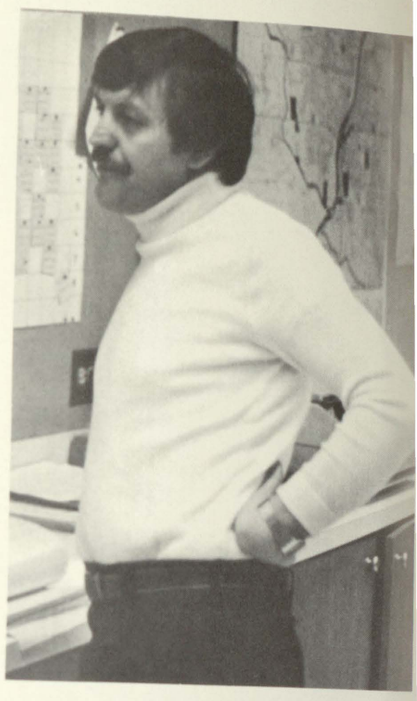
Manny Stahl replaced Mr. Strautnieks as an Assist Principal, a job which includes many of his former responsibilities along with additional new ones. He has completed his 15th year at DMHS where he taught German for five years and has been in administration 10 years.



"I will direct my energies toward upholding the proud traditions of Douglas MacArthur High School", are the words of Gundar Strautnieks, our new principal. Mr. Strautnicks is completing his third year at DMHS after having been Assist. Principal for two years. He joined the school district 10 years ago as principal at McBrite elementary school.



Robert Clark is the new Assistant Principal at DMHS with his main responsibilities in the areas of discipline and scheduling. Prior to this year he spent 19 years at Mackinaw Middle School as a teacher and principal. He is originally from Grandville, Michigan.

BUSINESS AND PHYSICAL EDUCATION

PRACTICE&ENERGY

Business and physical education classes have worked very hard to improve their skills.

Business had many classes to offer this past year. Bookkeeping was an accounting class. Introduction to business was just that. It taught about the outside business world. Shorthand taught students how to write in "scratches and dashes". Senior marketing has been working on commercials. The biggest business class is typing. Many students have gone through sore fingers and broken nails, but they have lived.

Gym classes have been practicing their skills and many students have gotten in shape again. Gym taught everything from weight lifting for boys, to gymnastics for girls. They have all girl classes, all boy classes, or coed classes to offer for the students.

(Top) Gym students exercising. (Bottom) Volleyball is a widely played sport. Here, Art Duquette goes for a backward shot.

SOCIAL SCIENCES

Social sciences have been a big part in the curriculum at Douglas MacArthur. This year it included American Government, psychology, American history, child care, family relations, anthropolgy, world history, economics, world cultures, modern geography, and problems in sociology.

PREPARING FOR THE FUTURE

DESIGN&SYSTEMS

Woodshop students design, plan and construct projects of their choice, using a variety of materials and processes.

Graphic art students learn skills and techinques of type composition, layout design, press operation, plate making, process and camera work.

Metals fabrication develops pre-entry job skills in the following occupations: sheetmetal and iron worker, welding, machinist, plumber, patternmaker, and foundry technician.

Electronics students learn basic electronic principles by means of constructing and analyzing circuits using volt-meters, oscilloscopes, audio and radio frequency, generators and power supplies.

Auto mechanics is designed to introduce the students to the eight basic systems of the automotive engine.

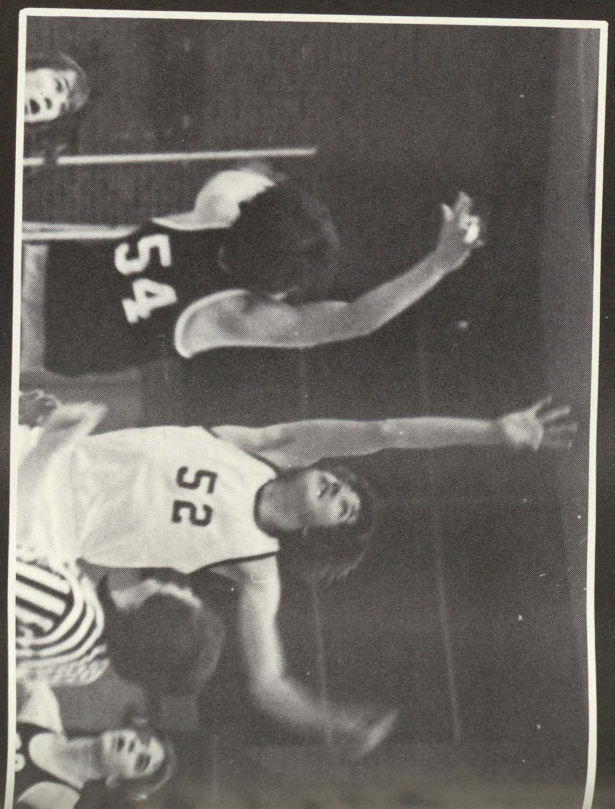
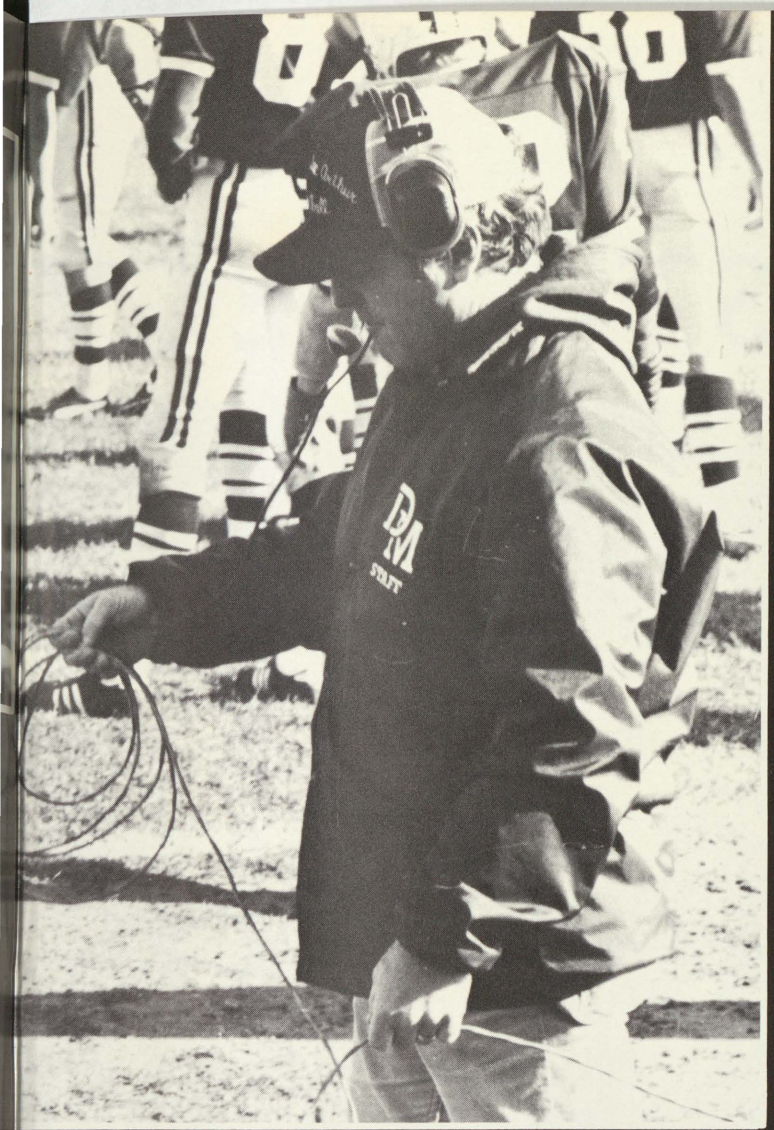
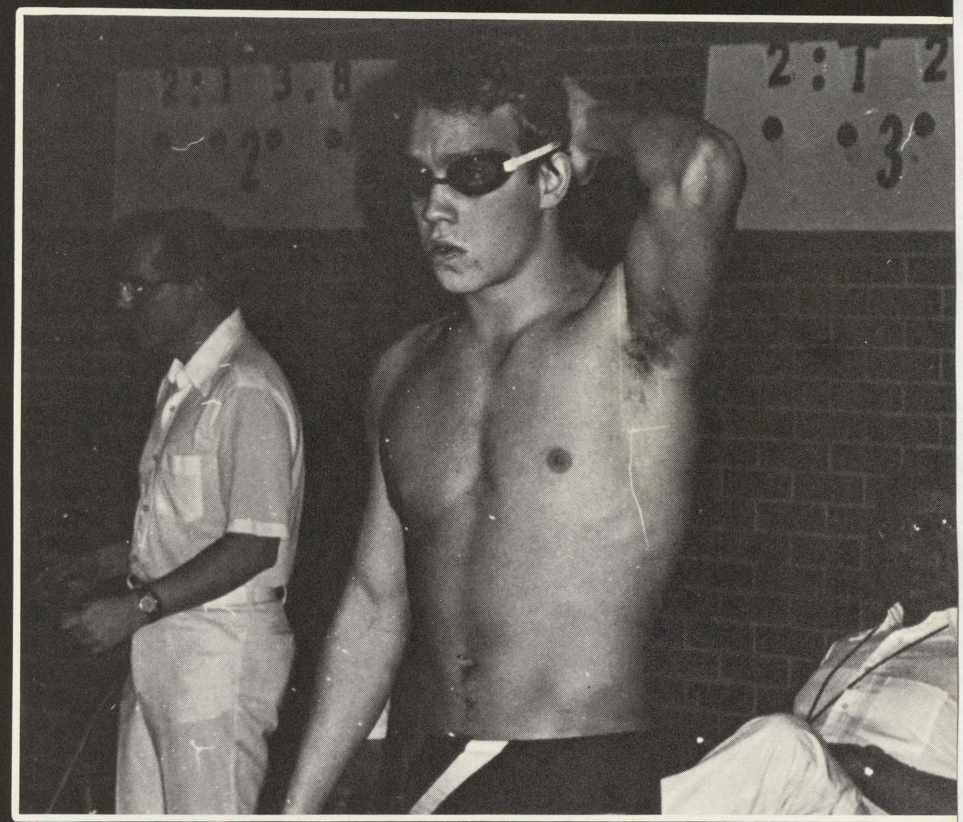
TAKE A GOOD LOOK

SPORTS







Any student at MacArthur has the chance if he or she wants it . . . the chance to participate in any number of Varsity, Junior-Varsity, or Freshmen sports.

Sports give students a chance to develop their abilities to their fullest potential. It also teaches them the necessity of teamwork and individual responsibility towards a team.

Many MacArthur athletes have won awards for places in events, Outstanding Achievement Awards, and others have gone on to State competition.

DESIGNED FOR A WINNING SCORE

PLANNED STRATEGY

Varsity Football, coached by Mel Skillman, accomplished a very respectable win-loss record of 9-0. A notable victory was over arch rival Eisenhower by a score of 21-8. Their 9-0 record earned them a first place in the White Pine Conference and also a spot in the State Playoffs against Chesaning, only to come up short 22-14.

The Generals had six players named for All-Conference. These were John Cowell, Mike Leibinger, Andy Rank and Dayna Beal for the first team offense, and Chris Sarmiento and Mike Shields for the first team defense. They also produced 11 players on the honorable mention list.

Another highlight of the season was the fact that Coach Skillman captured his 100th victory at MacArthur with a win over Dearborn Heights Robichaud.

WHITE PINE CHAMPS

NO.1 TEAMS

"We started poorly, but ended up with a very good season," commented Coach Coffey about his junior varsity football team. The spirited Generals had a 7-1-1 season and went on to capture the White Pine conference for the fourth time in five years. Most valuable player was Butch Call, and Jeff Kaufman took the honor of being most improved player. Tim Hain was named most valuable lineman and Mike Kolby was named most valuable back. According to Coach Coffey, the JV team has had a record of 38-5-1 in the past five years, which is 87% wins.

Also White Pine Conference Champs, the Freshman Football Team coached by Mr. Call, achieved a 6-1 winning record. Matt Call was selected as most valuable player, and Paul Vescio as most improved player.

TALENTED KICKERS

FANCY FOOTWORK

"We had a very good season, with probably the toughest schedule of all the three years we've been together," commented Varsity Coach, Jim Stone.

The team finished the season with nine wins, three losses, and three ties—one of which was to a team that made it to the State Finals.

Senior, Mike Brown, was awarded 'Most Valuable Player' and honored to be a member of All State, while Dan Hare was awarded a State Honorable Mention. Sophomore, Dwight Beal received the 'Most Improved Player' award.

"It's going to be sad losing my seniors because many of them have been with me since they were just little kids starting out, and for the three years soccer has been a sport here at MacArthur. We'll be re-building, though, again next year with some very good underclassmen," Stone said fondly of his team.

The Junior Varsity team also had a very successful season. Coach Bilby proudly stated, "I had many talented freshman and sophomore kickers this year, and they all put forth their best to make this a super season."

Freshman, Tom White, was the leading scorer of the team. Bob Eurik, freshman goalkeeper, received the 'Most Improved Coaches' award, and sophomore Paul Skentzoz was awarded 'Most Valuable Player.'

Their record was 13-1: scoring 60 goals with only 10 against them. They weren't scored on until the seventh game, and they added 8 shut-outs to the record.

AT THE FRONT OF THE LINE

ENDURING RUNNERS

"This was a season of ups and downs. Individually we got some fine performances, but we had trouble getting all five runners to do well at the same time," stated Coach Lyle McCauley. In spite of this the team won a fine 4 out of 5 in the White Pine Conference.

Although injured early in the season, Scott Scribner qualified for the State Class B Meet where he placed 34th out of 80 runners. Scott was also named Most Valuable Runner, while Paul Martino, a freshman was named Most Improved. Tom Richardson was named Honorary Captain.

DM GOLFERS PERFORM

18-HOLE ACTION

Dave Bear led the Varsity Golf team to a 9-6 season. Also contributing were sophomore Bill Koepke and freshman Scott Jacqmain. The team took a second in the White Pine Conference, a third in the Regionals and ninth in the State.

The team's success was due to the efforts of seven fine Varsity players. Dave Bear had an outstanding season with a 78.7 average strokes per game. He was followed by Bill Koepke with 83.6. Scott Jacqmain had a 86.9, Ron Kruske a 89.9, Tom Haeger a 90.6, John Arlt a 92.5, and Chris Massey 96.5.

Bill Stelter coached the J.V. Golf team this year. They had a 7-3 season and one tie. They also won the Swan Valley Invitational. Dave Boissoneault was a runnerup medalist.

Dave Bear played 52.5 rounds of Varsity Golf and only one player in school history has played more. He finished first in the regional tournament and was also the first DM player to win regional medalist honors. Dave finished fifth in the State Meet, and most important of all was selected to the Class B All State Team.

DM NETTERS

FAST-PACED ACTION

Swinging their way to a successful season, the Girls Varsity Tennis Team won the Regional Championship defeating the reigning team Eisenhower. Their overall season ended with a 7-3 record.

Senior Sally Schirmer led the team by capturing the number one singles flight for the 3rd consecutive year at the regional meet. Sue Foltz dominated the number two singles flight while Lori Call, Jan Pruitt, Jeanne Spence, Cammie Conolly and Debbie Eischer repeated the performance. This finish qualified the girls for the state meet which they finished 12th in.

The girls were honored at the annual banquet held on Nov. 4th at Treasure Island. Sally Schirmer was honored for her 4th consecutive year on the team. Sally is the first ever to play one singles position for all four years in the history of MacArthur.

WHITE PINE CHAMPS

EXCEPTIONALISM

"This year's girls basketball team was better that any other team that I've ever coached, boys or girls," stated Varsity Coach Call. The girls season was 16-5 which was something no one expected, but these talented young women proved the key to success as they captured the White Pine Conference. The co-captains were Cindy Devers and Lisa Ruffle, and the most valuable player was Kris Johnson. Pam Carpenter was the most dedicated and Sue Whitworth was the most improved. Mr. Doane commented "We had a really good season and all the players were able to participate and play for the J.V. Amy Ardin was voted the most valuable player. The captain was Debbie Hausler and the most improved was Annie Bieri. Mr. Doane felt the Junior Varsity had a good season.

TO THE LEAD

PLUNGING

The MacArthur Girls Swim Team finished the 1980-81 season with an almost perfect record of 12-1. The Generals traveled to Grand Rapids for the state meet in December and brought home a 2nd place. Jody Karnosky set a new state record in the 200 freestyle and was awarded "Swimmer of the Year." Jody received the Raymond Hart Award and was also named the most outstanding swimmer. Coaches Awards were given to Michelle Glatz and Mary Pfund. Diver Michelle Dickleman took 14th place in the regional meet in Troy. Coach John "Muzz" Muslin was voted "Coach of the Year" by other coaches.

There were three managers for the team: Debbie Beall, Maureen Murphy and Barb Kershul. The captain was senior Jody Thick. The graduating seniors were Jody Thick, Gloria Enriquez, and Dianne Rooker.

ON THE BALL

NET ACTION

The Douglas MacArthur girls' volleyball team, coached by Nancy Burnham, finished the season with a fifty-fifty average this year. Their season record was 11-11 and their league record was 5-5. At the banquet, awards were given out to Cindy Devers for 'Most Valuable Player', Cathy Walderzak for 'Most Improved Player', and to Kari McGlinnen for 'Most Dedicated Player'. Cindy Devers was also honored to be chosen for the First Team of White Pine and Amy Ardin was chosen for the Second Team. Honorable mentions were given to Pam Carpenter and Kathy Haeger.

"I have a good group of players this year and I feel they could have done great if they had played up to their potential," stated Coach Nancy Burnham of her team.

SLALOM STARTERS

HILL RACERS

Both the boys' and girls' ski teams had predominantly new members this winter. "Because there is no feeder system in our district, I have to start most of my skiers out fresh with the very basics of competitive skiing," commented Coach Kris Agnew.

The most experienced member of either team was four year veteran Howie Kutsch who qualified for the Detroit News Meet at Mt. Holly where he took a 2nd in the slalom and a 3rd in the giant slalom. Jamie Tramitz and Patty Lea also qualified for the Detroit News Meet.

Winning 4 of 5 meets, the girls had a commendable season. They took 5th in Divisionals, 7th in Regionals, and 2nd in the County.

The boys won 2 of 7, and placed 6th in Divisionals, 9th in Regionals, and 4th in the County Meet. Their assistant coach was Dave Sanders.

The Ski Club, along with Advisor Mr. Quinn, enjoyed two ski trips this year. They went to Boyne Mountain and to Boyne Highlands. Jill Cleveland was appointed President of the Ski Club.

BRAWN ON BLADES

INTENSE SKATING

Another outstanding season was accomplished by the DM hockey team. "Probably the biggest reason for our success is the fact that our players realize that hockey is a team sport, not a showcase for individual talents," said General Coach Jim Keenan. The team finished their season in 1st place with an overall record of 14 wins and 1 loss. "We have several outstanding players but their most important quality is their willingness to sacrifice their own personal goals and work toward a team effort," added the coach.

The boys were honored at their banquet held at the Sveden House on April 2nd. Andy Leak was awarded the coaches' award because of his excellent playing ability and excellent attitude. Other awards were given to Chris Sarmiento and Mike Leibinger for Best Forwards, and Best Defenseman went to Dan Hare. Also Troy Watkins received the most improved player award.

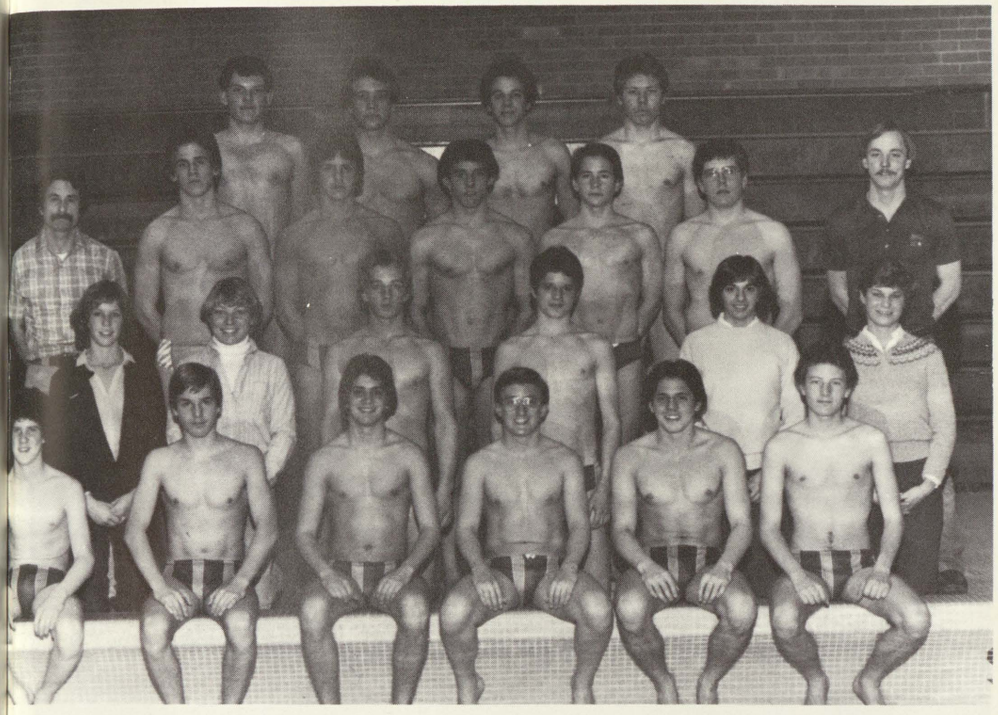
RECORD SETTERS

POOL PACERS



Under the leadership of coaches Bob Oliver and Earl Bash, Captains Blake Bergeon and Kip LaGorin, the Boys' Swim team had another outstanding season. They finished off with 7 wins and 3 losses, placing 10th in the State.

Various records were set throughout the season. Trent Stumph received the Most Points award as well as being voted Most Valuable by his teamates. The Most Valuable Freshman was Jon Foltz, while the Most Valuable Sophomore went to Mark Frink. Carl Crimmins was Most Valuable Junior, while Blake Bergeon and Kip LaGorin were voted Most Valuable Seniors. The Coaches' Award went to Matt Ewend, the Most Valuable Diver was Henry Trier, and also Most Improved went to Andy Damore.

RACKING UP POINTS

PIN-N-WIN

Due to team inspiration and under the leadership of a new coach Mike Mutter, the wrestling team finished a victorous season. The boys showed much dedication and skill which enabled them to place 4th in the White Pine. Andy Strautnieks, and Harold Sanchez placed first and second respectively in the conference meet. While Ron Stockel placed 3rd in the district meet. The team had their banquet held on March 5 at the Sveden House. Kevin Howard was chosen most valuable team player and received an award for participating on the team for four consecutive years. Harold Sanchez was awarded most improved player.

DM SHOOTERS

DEDICATED PLAYERS

Although this wasn't one of our better seasons, according to coach Bomboske, "I was still pleased with our determination and our all around hustle. I was also very pleased with the progress of our younger players throughout the season." Achieving a place on the 1st All Conference Team was senior Dave Bear, and sophomore Mike Day who received an Honorable Mention.

The Most Valuable player this year was Dave Bear who also received the John Quick Sportsmanship Award. Mike Fisk was named the Most Improved Player while Dayna Beal was presented with the Best Defensive Player Award.

Five seniors will be leaving the team this year, and hopefully 4 juniors and 1 sophomore will be returning next year.

JV AND FRESHMEN BASKETBALL

SHOOTING STARS

The JV Basketball Team ended its season with 8 wins and 11 losses. Butch Call was high scorer averaging 14.5 points a game. John Arlt ran away with top rebounder and free thrower. Butch Call got the Coaches' Award, and John Arlt was most improved.

"We played two seasons on the JV level . . . " commented Bob Syzmanowski, "we just had a poor start. Of our first 8 ball games we only managed one win, but in the remaining 11, we won seven, and we lost 3 of those by less than 5 points. We pulled together and played fine basketball at the end of the season."

Both Freshman A and B teams had an exceptionally good season. The A team had a record of 14-5, with Joe Battaglia as high scorer having 277 points total. Top rebounder was Don Birch with 142, and once again Battaglia took top in free throws with 96.

The Freshman B team had a record of 14-1. High scorer for the team was Chris Buckley with 147 points. Rebounding leaders were Brian Wendling and Buckley, and Wendling was also top in free throws. The MVP for the team was Buckley.

TWO IMPORTANT FACTORS

SPEED AND STAMINA

This is just what the girls track team showed, speed and stamina. This, plus alot of hard work and dedication lead them to a very successful season. In the Conference they proved themselves and won over five other teams.

Several school records were set last season. Tammy King set two records; one in the long jump with a jump of 18'2. The other was set in the 220 yd. dash with a time of 26.5. She also set a record with the help of Ann Koepke, Mary Stewart, and Joyce Parker in the 880 yd. relay with a time of 1:45.6. Mary Stewart set a record in the 220 yd. hurdles with a time of 31.28. Brenda Morrell set a record in the discus with a throw of 98'7½.

Six special awards were given out this year. The Freshman Most Valuable was given to Heidi Wagner; the Sophomore Most Valuable was given to Lisa Kennelly; the Junior Most Valuable was given to Ann Koepke; and the Senior Most Valuable was given to Tammy King and Laurie Call. The Most Improved award went to Mary Stewart, and the Most Talented award went to Joyce Parker.

A FLEET OF FEET

"We believe that we had a good season. We were pleased with the performances and steady improvement of most of the kids," said Mr. McAuley. "We placed third in the White Pine Conference and qualified ninth in the Class B State Meet."

Bob Ruppel, Jason Jamison, Rick Salonen, and Joe Peters, together set a new school record in the 440 relay. Joe Peters also set a new track record in the 330 low hurdles with a time of 41.7.

Honorary co-captains were Tom Richardson and Scott Hanton. Most Valuable were Jason Jamison, Scott Scribner, Joe Peters and Most Improved was Don Birch.

TALENT, TOGETHERNESS, & DRIVE

THE FIRST TIME

"We have the talent, we just have to keep it together as a team. If we play our game and the girls want to win, we can go a long way," stated Varsity Coach Skulley. And they did just that . . . for the first time ever the Girls' Softball Team won the Regionals, the State Semi-Finals, and went on to State Finals. They are the White Pine Champions, District Champions, and Regional Champions for the 1981 year. The girls' favorite team quote was **"We're Awesome".** White Pine First Team Awards went to Liz Alfano, Lisa Ruffle, Cindy Devers, and Pam Carpenter. The Most Valuable Player was Lisa Ruffle and Jenny Scoggin received the Most Improved Player Award. Pam Carpenter was the Leading Hitter. According to Coach Skulley, "This is the most talent I've ever had to work with at one time on a team and probably the most anyone will have for a long time to come."

SLASH, BUNT & STEAL

A FAST FINISH

The Generals received little cooperation from the weatherman as the frequent spring rains caused many postponements, but they managed to win their last straight six games and once again finish with a winning record.

Most Improved Player went to Dave Kitsch, Most Valuable Player to Chris Sarmiento, and the Batting Crown to Mike Leibinger. The Defensive Player of the Year Award was shared by Chris Sarmiento and Mike Leibinger.

(front row) Dave Povich, Mike Leibinger, Howie Kutsch, Mike Gerard, Chris Sarmiento, Mark Gustin. (second row) Coach Coffey, Henry Trier, Dave Kitsch, Barry Greenwald, John Newcombe, Mike Fisk, Paul Staber. (third row) Matt Kolbe, Kirk Miller, Allan Orr, Jim Zedella, Tom Calkins, Coach Kaligian. PLAY BALL!

DIAMOND DAZE

The JV Baseball Team ran away with 13 wins and 7 losses. Matt Armstrong led the team in hitting with a .429 average, but Jeff Kaufman took MVP with a hit in every game except 1 setting a new DM record. Jeff also pitched 7 winning games. Matt Armsrtong, Tom Stroebel, and Bill Koepke also captured awards—MVOffensive, MVDefensive, and Most Improved, respectively.

Even though the team didn't have the best season, Mr. Coffey commented, "This team is much better than its record. They will do well at the varsity level."

The Freshman Team had a record of 11 wins and 6 losses. Awards for the team were as follows: MVP went to Brian Wendling; Most Improved went to Bob Uriche; and The Hustler Award went to Chris Massey.

BOYS' TENNIS

SWINGING ACTION

Boys tennis had another fantastic year under the direction of coach Bob Quinn while holding the White Pine Champions position. The Generals took the lead spot in the Regionals and went on to the State Meet to place 9th.

Top singles were Pat Johnson, Rick Symons, Bill Schirmer and Mike Jones. The number one doubles team consisted of Brad Hammerschmidt and Kevin Howard. The most valuable player award went to Rick Symons. For the 2nd consecutive year an All Star Team award was presented. The two recievers of this award were Kevin Howard and Rick Symons.

MOVING PROGRESS

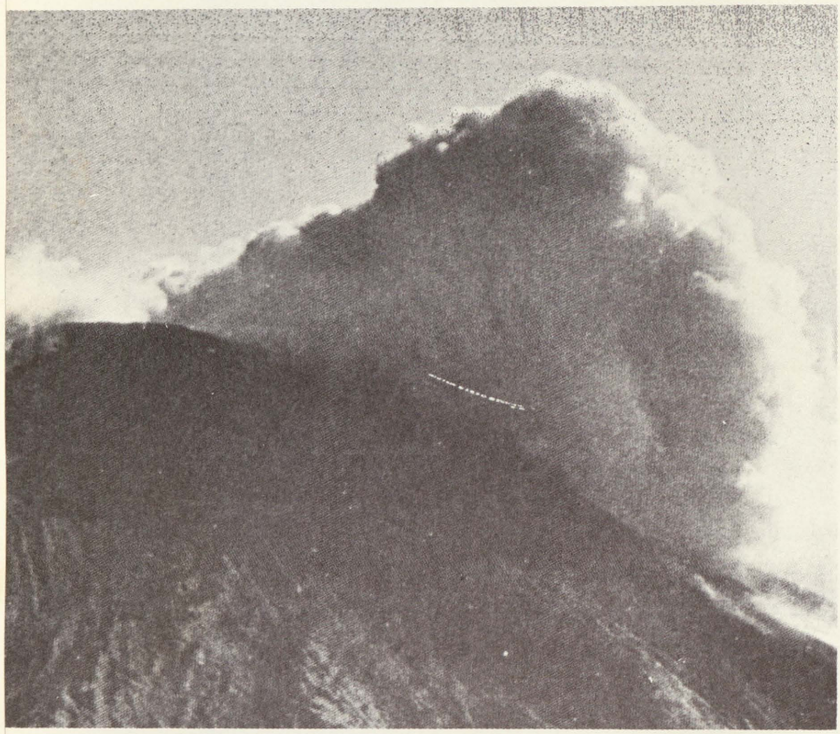
SAGINAW SCENE

New buildings, modernization, and rising costs characterize 1981 in the Saginaw Area. New buildings include Cindy's Hamburgers and the Sheraton Hotel. Cindy's is another example of the very passible "fast food" scene. It is hoped that a hotel in the Township will bring travelers, conventions and therefore additional business for many.

Expansion and modernization at Tri-City Airport should accommodate more travelers and make a stop-off there more pleasurable.

To add to our developing community is the neighborhood subdivision of Becker Woods near Eisenhower High School. New construction continues in the Township in spite of high interest rates and unemployment.

Gas prices are also high and still rising. Pump signs seen around town range from $1.35 to $1.60 per gallon.



(top left) Steam rolls over a crater on Mt. St. Helen, (top right) President Reagan at the Capital Hilton 3/30 seconds before he was shot in the assassination attempt, (bottom) Germany doctors take a look at the banner hung on the hospital where the hostages were to be treated when released by Iran.

WHAT'S HAPPENED

WORLD EVENTS

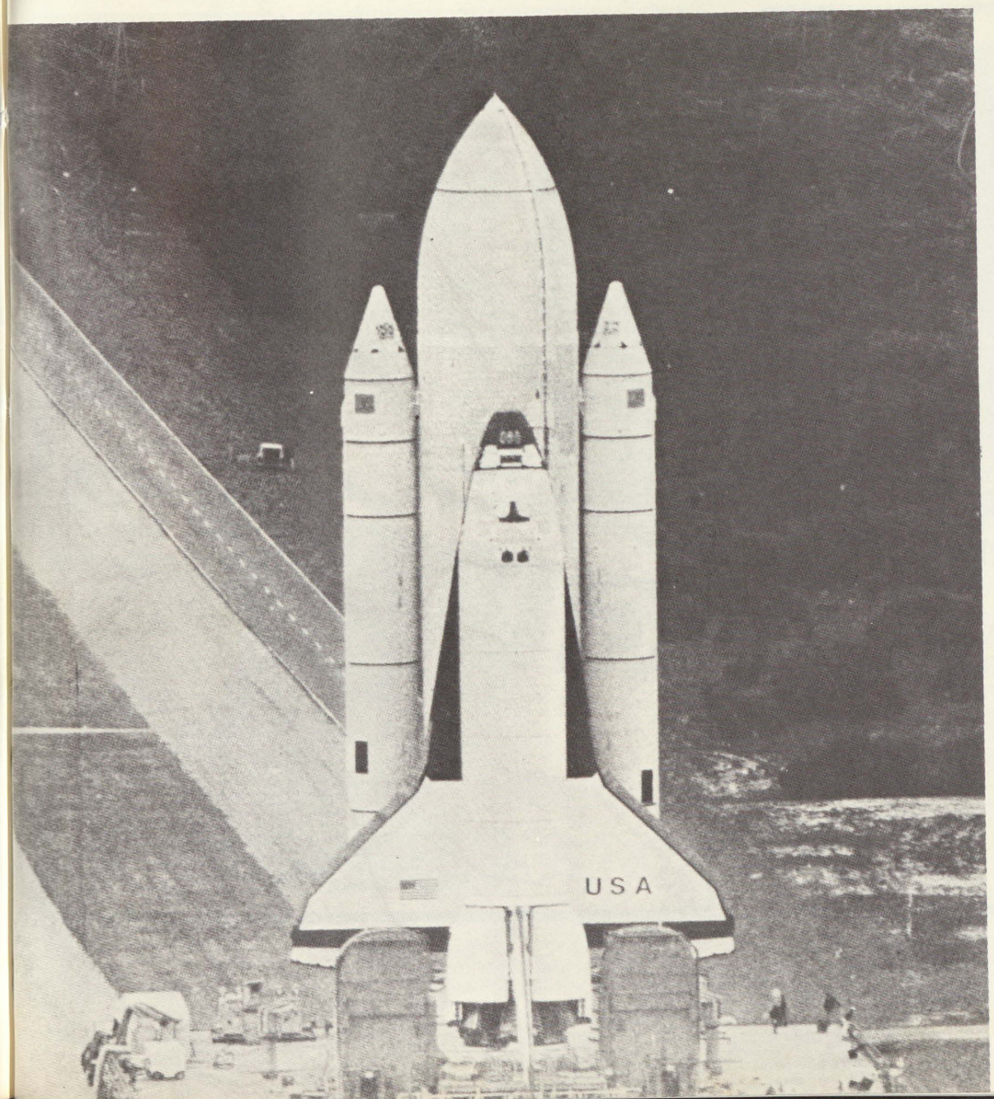
Many changes and events took place with the start of the new year. Ronald Reagan was sworn in as the new United States President, and the fifty-two hostages in Iran were finally released after many grueling days of captivity. All were returned safely and welcomed by the entire nation.

El Salvador was involved in guerilla war. The government in power asked the U.S. for assistance and once again we were faced with the question of whether or not we should become involved in the internal affairs of another country.

The tragic and sudden death of singer John Lennon shook the whole country. The Ex-Beatle, who was considered the leader and inspiration by the other Beatle members was murdered in front of his own home.

Many other exciting things happened during the year, including the Space Shuttle, which landed successfully.

We look forward to next year with ambition and hope it is as rewarding as the last.



(bottom left) The Space Shuttle Orbiter Columbia rides its mobile launch platform toward the launch site. (bottom right), a Salvadorian soldier poses stiffly in front of a machine-gun raked, burned out building in the village of Aguacayo, El Salvador.

TAKE A GOOD LOOK

Smiles, laughter, tears . . . all expressions of our years at D.M.H.S. Trying . . . failing . . . trying again . . . success . . . Working your way up the ladder of life, one rung at a time. High school, one of the most important rungs, is a time to be remembered . . . cherished. High school years are years of construction . . . building, ever so slowly, the future of our lives; years to make past experiences more meaningful . . . to gain pride for what we have done, and what we plan to do. These four years are also a time to set new goals, to try and meet them. Nothing can take these school years away . . . nothing except a fading memory. Take a good look . . . you may be surprised at the love, laughter, and happiness that you will find . . . . .

Karen,
Howdy,
I'm really glad we
got to be good friends.
We have had some
wild ARTIES! It's to
look you and Karen (didn't
work out) but had you (two)
you too had one don't have
together. Too bad we don't have
classes together. I'm glad
more chances to getting
through this letter is getting
book, this is all you know
boring. I can't think
very much of
pretty (all good).
of you (all good).
I love & friendship
always
Johnny

Karen,

Im glad that we became good friends over this past year. We really had a riot in Remers boaring class. And in good old les 'es biology class. hope this year we can really get rowdie in English and chem. (I know we will). your really cute, sweet, kind, smart, etc... ..... STAY The SAME!!! !!!!!!!!!!! Can't wait until some freshmen have a party. we can make it official to crash it!! (They will probally be the type to get drunk of 1 can of buckhorn!) (OR they won't know what beer tastes like and it will be a "spin the bottle" Party!) ha ha ha ha ha ha ha ha ha!! ha ha ha ha ha ha ha ha ha.. No this isn't a novel Im just adding stupid things like haha $ ... and !!! . and besides Im writing big! Good luck in everything you do. You deserve the best. let's always stay friends and I hope to see ya at all the parties!

Love ya
(your a cutie!)

F/f
Mickey

Karen,
How are you?
I'm really glad I got you in two of my classes. Hope we can be friends again. We've had some real good times and will probably have some more. I hope. You're the best partner I've had. Good luck with whoever. See ya around
Love
Cindy
F/F

KAREN,
well, we're done with a year of school and were now big sophomores. News to you right? Probably not but what the hell. Last year we were pretty good friends and I hope (after that great summer) that we can be really good friends for the rest. Dubay's class should be fun and I'm really glad I sit by you (so I can copy). Well you go take your test (better do well) and I'll see you on the firing line...
Love - Friend

Karen, you know you are a cute, fun, person to be with. I know since you're a junior you have many great boy friends. Life is going great for you, like Darius with his really hot car, parties etc. I can't wait for my future. I hope it is as great as yours. Darius is so cute. Time with you, like dances, parties etc. I hope we can have many more times together. I'm so glad that we are friends and I'll always remember you. Have a great summer and I'll see you next year. Maybe we can have a class together. Have a great summer and I'll see you next year. Maybe we can have a class together.

Karen ~~-~~ You had a good party But I can't remember much The hard to have a conversation. Andy

Karen,

You have been a really great friend ever since 1st grade when I knew ya (remember?) I'm glad I have them with you - we'll have a blast! You have been a good friend of mine for a long time, lets keep it going! Your party was excellent. For a while it was! Like Julie says, We have to keep partying!!! How about tonight?? You are so sweet and a blast to be around! Hope we can get to known better friends this year!

Love,
Becky

Karen, I LOVE You!! Love Julie

BULLSHIT

KAREN,

How do you like my all capital letters technique. Well what can I say but you have been one of my best faiends for quite awhile now. We haven't had any big fights during that time only a few minor arguments. We had an excellent freshman year. We'll have to do more partyins this year than any other year. We can keep buildins it up till senior yea & then it will be one big party. I would wish you luck with the guys but you don't need it. Well my technique is ruined. I would write more but it is hard to put my thoughts down so ones I will tell you them on a phone.

Friends Always
Luv Julie

Karen,
Have a really great last year in high school. I'm sure glad I met you in 3rd grade. I would like to have another year, but we're going to be 3 years. Good luck in life, and do something with your future (BF) you do an style
